If you want to come to Breakfast Club it is from 7.45 - 8.30am everyday and costs 70p. (Children will not be admitted after 8.30am). Entrance to breakfast club is via the main office.

Collecting your child

You can collect your children from their classroom from 3:00pm.

The playground gates will be closed at 3:20pm.

Again, you may be asked to queue whilst we limit the number of people in the playground.

If your child is collected after 3:30pm you maybe charged a late fee.

PLEASE PHONE THE OFFICE AS SOON AS YOU KNOW YOU ARE GOING TO BE LATE COLLECTING YOUR CHILD.

After school childcare provision

After school we have a **6 o'clock club**. This runs Monday to Friday and is open to anyone.

The cost is **£9 per day** and children are supervised by members of school staff.

This club is flexible - some children stay all week but others only stay on certain days but this must be booked in advance.

Please speak to a member of the office staff if you would like more information about **6 o'clock club**.

Clubs - extra curricular activities

Usually we offer lots of FREE after school clubs for your children which run from 3:15 to 4:30.

Thank you for your understanding with this.

Throughout the year we will be contacting parents to up-date care plans. This is a legal requirement to ensure pupils are safe in school.

Literacy & Phonics

Our children continue to progress through the RML programme at the beginning of Year 1. This teaches them how to 'sound out' words in order to be able to read and write them.

Maths

At Curwen, children follow some aspects of a scheme called 'MMS' (Maths Makes Sense). The focus this term will be on 'Number'.

Parent workshops for both Phonics and Maths will be run virtually to support you with working with your child at home.

Spelling Challenge

- In Year 1 we would like to introduce a spelling award system to encourage your children to learn the High Frequency Words.
- They will be given practise sheets and will be tested each week.
- Each time they spell their words correctly, they will receive a certificate and move on to the next set of spellings
- We will be writing to you in the coming days to tell you more about this.

Forest Schools

What is Forest School?

- It involves child-led sessions in a woodland or natural environment, primarily using natural resources.
- It aims to promote resilient, confident, independent and creative learners.

Where will Forest School take place?

- Forest School sessions will take place in West Ham Park.
- The school grounds are also being developed to support more outdoor nature activities.

What will my child do at Forest School?

- Children carry out a range of outdoor activities that develop their skills and knowledge relating to the National Curriculum.
- Some activities may include: mini beast hunts; plant and animal identification; observation of seasonal changes; land art; tree-climbing; digging; whittling; sawing, den building, fire lighting and outdoor cooking.

What clothing will my child need to attend Forest School?

- For health and safety reasons, children need to wear weather-appropriate, full length clothing and walking boots or wellies.
- Due to COVID-19 we would like children to wear their own waterproofs and wellies where possible.

RSE (Relationship & Sex Education)

Relationship and Health education is mandatory for all primary schools to teach from spring 2020. It will be delivered through the school's PSHE (personal, social, health and economic education) curriculum.

A sharing of information for parents will be held before Christmas, to communicate the intended PSHE curriculum and teaching resources with you.

Year 1 Phonics Check

- Government requirement - June 2021
- Read 40 words with a range of sounds in them.
- Some are real words and some are nonsense (Alien) words.
- Please attend to our reading/phonics workshop about this and support us with any activities.
- Please do not panic about this!

Homework

Currently all homework will be put online each Friday and can be accessed through the school website. There will be a literacy task, a maths task and sometimes a topic project.

This will usually be revision of topics that have been covered in class that week.

Please speak to your child's class teacher if you are having any problems with this.

How to find Year 1 homework:

Homework

There will be homework available on this page:

Homework will be uploaded and completed by children on Google Classroom. Until children have been taught how to access and use Google Classroom, we will be uploading online activities for children to complete for their homework.

Reading

- In **Year 1** we expect pupils to be reading for at least 10-15 minutes (4 times per week minimum) to help pupils build on their fluency in reading.
- Children will soon be given a book by their teacher which matches their reading level and they can also select either a fiction or a non-fiction book from the school library.
- Year 1's library day is on a Friday every other week.
- **Please ensure books are placed in their book bags every day.**
- We are currently looking at how we can exchange reading books and check reading records on a regular basis, in a safe way.

Top Tips for the Reading Helper

- 1 Try to make reading time fun wherever possible. Aim to do little and often, but not when the reader is tired.
- 2 Make sure that you are using reading material with the right level of difficulty for the reader. Also, check that the content is suitable.
- 3 **Blending** - encourage the reader to break words down into a series of sounds, e.g. c-r-a-sh. Run your finger under each sound in turn to encourage the reader to blend the sounds together.
- 4 Identify some key letter groups in the story and ask the reader to look out for them. Use the child's reading log to record the new letters / letter groups you are focussing on in each session.
- 5 Encourage the reader to look at any pictures in the reading book to get an idea of what it is about. Discuss the pictures with the reader.
- 6 Make a note in the reading log of any tricky or hard words - particularly high frequency words.
- 7 Help the reader to 'work out' words which can't be blended by looking at the other words in the sentence or at the pictures in the book.
- 8 Talk about the book as much as possible:
 - Ask the reader to explain what happened or what may happen.
 - Ask questions about the story.
- 9 Occasionally read the book or some pages aloud before you ask the reader to read. This will help with understanding and it will give the reader a chance to hear the sounds before reading them. It will also demonstrate what fluent reading sounds like.
- 10 Draw attention to punctuation marks and help the reader to read with feeling, e.g. "HOORAY!" they shouted.
- 11 Play games with the reader. For example, you could:
 - Ask her/him to find a word on the page that rhymes with fish.
 - Try making up nonsense words for the reader to blend, e.g. twoch.
- 12 Use flash cards to practise high frequency words or letters / letter groups and their sounds.

Curwen Primary Chromebook for Learning Project 2020-21

CURWEN PRIMARY CHROMEBOOK PROGRAMME

During lockdown we understand a lot of parents found it difficult to join in with the home learning set on Google Classroom due to lack of a computer device being available at home.

We have listened to you, and we have found a way to support you in buying Chromebooks – which are the same as the computers that the children use in school.

No one knows how the current Covid-19 situation will continue to affect the education of our children, more lockdowns are expected, knowing that all our children have access to a connected device at home means we can continue to deliver education via home and remote learning if and when required.

INTERNET SAFETY

In class we have displayed three main rules to stay safe online:

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

Stranger Danger applies online!!!!

If you are ever concerned about accessing information online or have any questions about internet safety, you can speak to your class teacher or the ICT co-ordinator (Mr Woolstencroft).

There are several websites offering help and advice about how to stay safe online. Just search 'e-safety', e.g.

<https://www.thinkuknow.co.uk/>

A screenshot of the CEOP's Thinkuknow website. The header says 'Welcome to CEOP's Thinkuknow'. Below the header is a grid of six colorful buttons for different user groups: '5-7?', '8-10?', 'Parent/Carer?', '11-13?', '14+?', and 'Teacher/Trainer?'. The '5-7?' button has a blue background with stars and fish. The '8-10?' button has a yellow background with a smiley face. The 'Parent/Carer?' button has a pink background with a star. The '11-13?' button has a green background. The '14+?' button has a yellow background. The 'Teacher/Trainer?' button has a blue background with a star.

Online Gaming

Is the content age appropriate?

Fortnite PGI=12 years old

RoadBlox=7 years old

Hello Neighbour PGI=13 years old

Lots of games have communication facilities that allow strangers to contact your child. Do you know who your child is 'chatting' to?

How can you support your child's learning?

- Homework
- Reading records - discussing the text with your child and asking them questions
- Handwriting
- BUG Club & other online learning
- Practising times tables
- Come wearing P.E. KIT each Tuesday
- Participate in any parent opportunities (virtual for now)
- Talking about their experiences

Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

When collecting your children, please welcome them with a smile, not a mobile phone.

This ensures teachers can quickly and safely hand over children and relay any messages.

Please remember to inform the office as well as the class teacher of any changes in the collection of your child.

What is Place2Be?

Place2Be aims to promote children's mental health and learning by offering a range of services to support individuals and their families.

Place2Talk: a lunchtime drop-in service for all children from Y1 to Y6.

Place2Be One-to-One Counselling: Children are referred for a number of reasons and with parental consent attend weekly counselling sessions for up to a year.

Parent Counselling:

We have a free and confidential adult counselling service available to parents on a Friday afternoon.

Parental Consent for Place2Talk

One of the most popular aspects of Place2Be's support in schools is called 'Place2Talk'. It's open to all pupils, and they can make an appointment to spend 15 minutes with a trained counsellor, either by themselves or with a friend. On average, about a third of pupils in Place2Be's schools take advantage of this service every year. Pupils often talk about friendships or any worries they may have.

Unless we hear otherwise from you, the school and Place2Be will assume that your child has parent/carers' permission to come to Place2Talk. However, if you would like to find out more, or would prefer that your child does not use this service, please contact Rodney Dee (Place2Be School Project Manager) on 020 8472 0290 who will be very happy to answer any questions.
