Curwen's Core Skills

Curwen's Core Skills are a set of problem solving skills selected by the staff at Curwen to support the development of our pupils interpersonal skills and give pupils the skills they need to begin to find solutions to their problems.

Curwen's Core Skills

Behaviour at Curwen

Children behave very well at Curwen and usually make the right choices. However we firmly believe that no one child's behaviour will ever be allowed to disrupt the learning of the rest of the class.

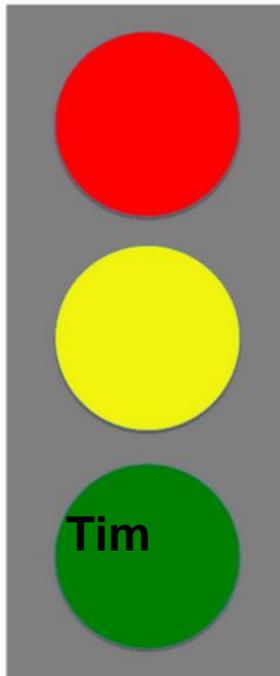

Children are made aware of the school rules and they are rewarded to follow them through receiving team point tokens, certificates, stickers etc

Behaviour at Curwen

We use a visual traffic light system to remind children of their behaviour choices and associated consequences.

-2nd reminder. You will need to attend Restart to reflect on your behaviour choices

-1st warning. You need to think carefully about the choices you are making right now

-Well done, you are making the correct choices

Behaviour at Curwen

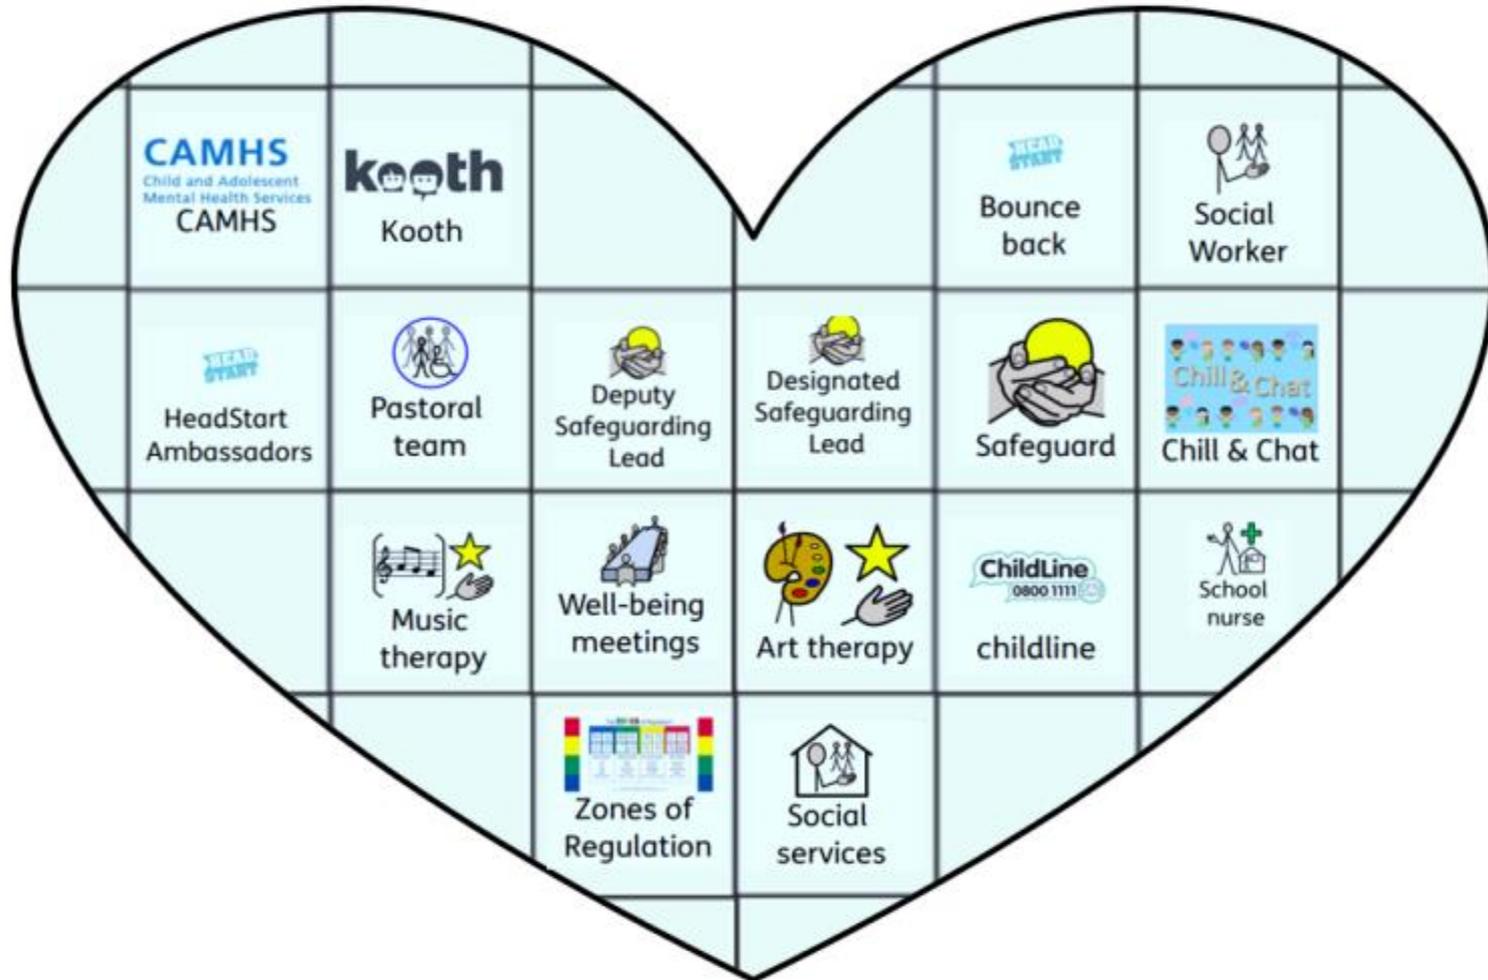

Restart is an opportunity for a child to take some time away from their class to reflect on their behaviour choices. They are supported by the pastoral team to talk about strategies they can use next time.

You will always be informed of this and every day is a new day.

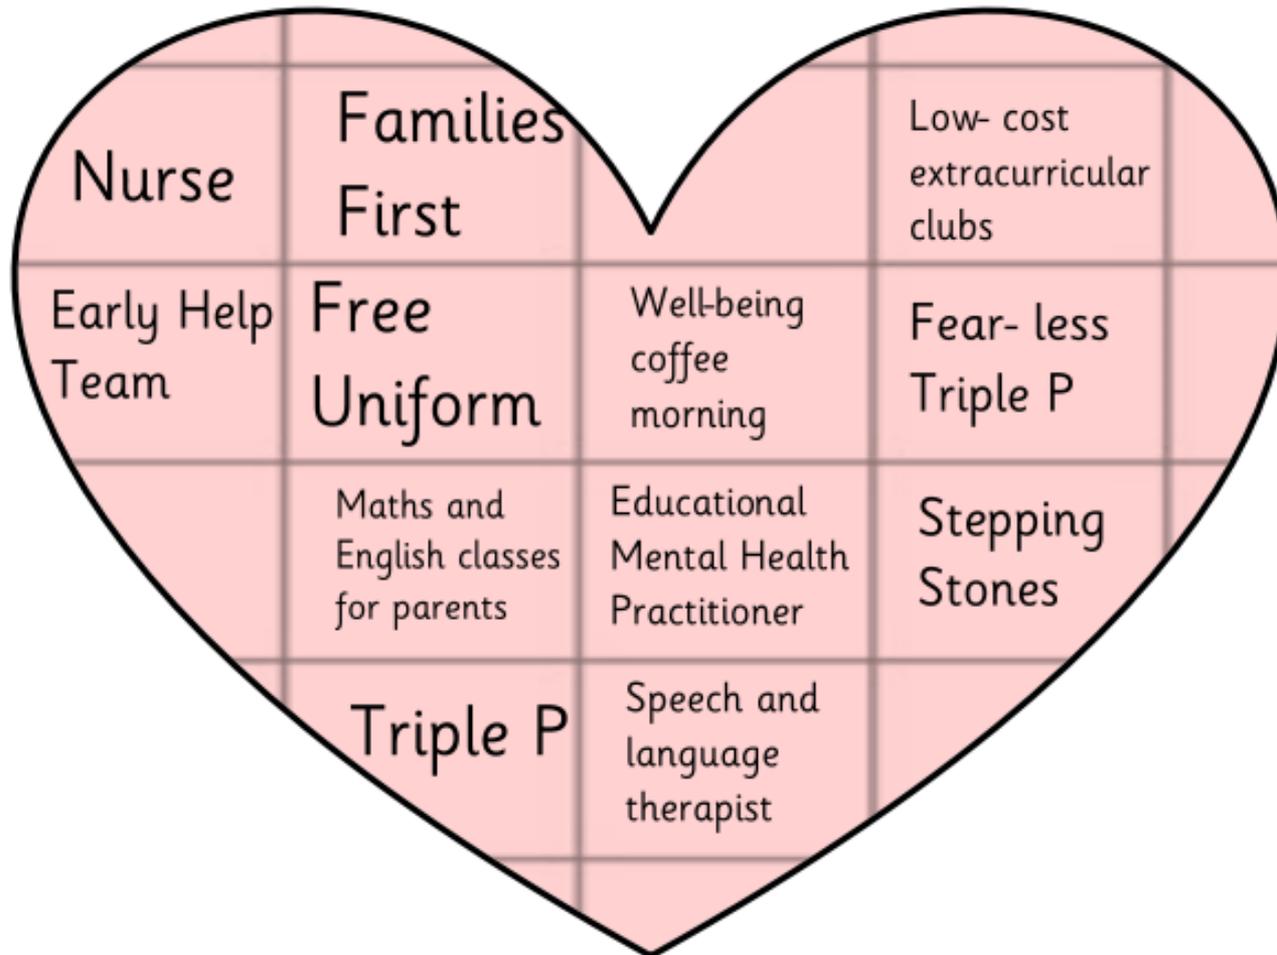

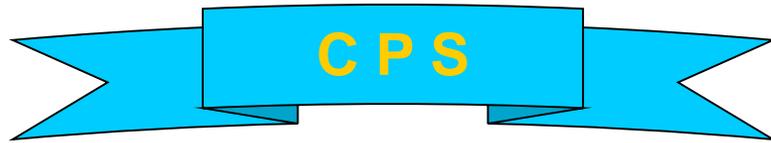

Nurture at Curwen for Children

Support at Curwen for Parents

Birthday Treats

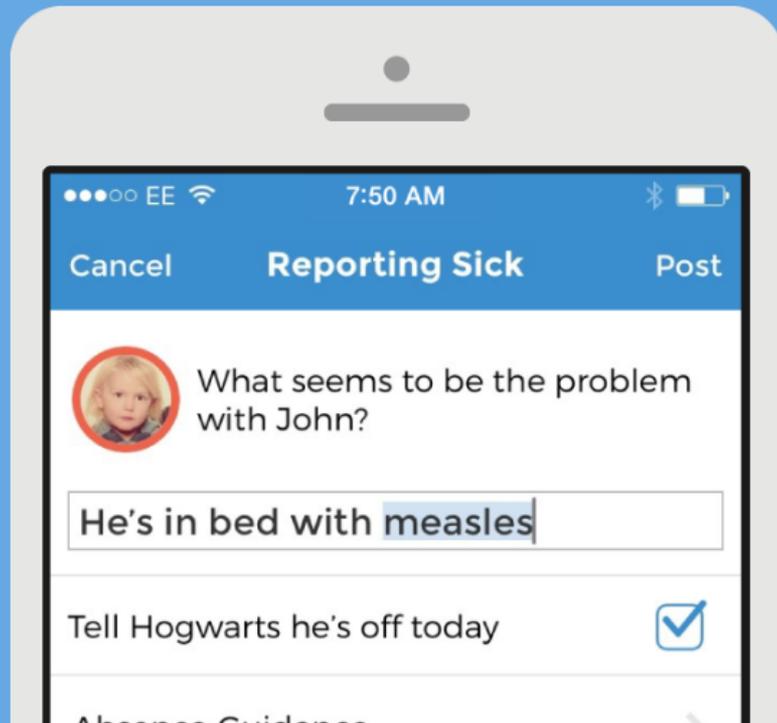

- We request that parents **do not** send in party bags or treats for their child's birthday as this becomes very difficult for us to manage in school.
- To celebrate children's birthdays, we invite them to wear **non-uniform** when it is their birthday. That way staff know it is their birthday and we can make it a special day for them. If their birthday is a Saturday or Sunday or in the holidays then they can choose if to celebrate the Friday before or Monday after.

Please download Studybugs, the school app and check our weekly newsletter (online).

We plan to hold regular coffee mornings for parents, open sessions and workshops.

Keep checking the newsletter and the school website for more information.

Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

INTERNET SAFETY

In class we have displayed three main rules to stay safe online:

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

INTERNET SAFETY

Online Gaming

ROBLOXS

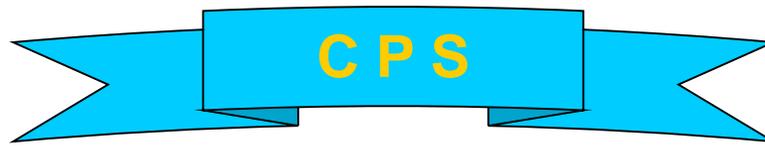

FORTNITE

Pupils are able to be messaged by strangers and communicate with them

How many friends have your children got online?

Do they understand what a stranger is?

Stranger Danger applies online!!!!

INTERNET BEHAVIOUR

Children should be showing RESPECT to everyone online

We strongly advise that all chat functions are turned off at all times. If children are in a position where they are chatting to a friend they must be using appropriate and respectful language at all times.

We advise firm consequences if this is not the case.

If a child experiences online abuse they **MUST** report it online AND tell an adult.

INTERNET BEHAVIOUR

The following social media apps are just some that are not age appropriate for children. Children should be in a the same room as an adult when they are online. Children should under no circumstances be sharing images or any website links online, including on these platforms.

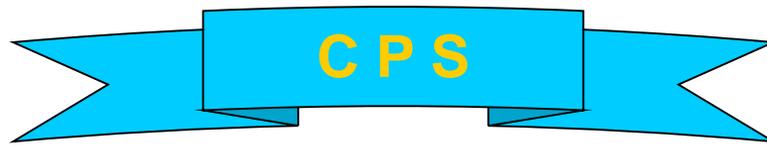

Some of the risks posed:

Poor mental health, exposure to misinformation, online bullying, inappropriate content

Instagram

INTERNET BEHAVIOUR

We strongly advise that children do not have their own mobile phones in Year 4.

Any phone use should be heavily monitored.

Children should not be passing on other people's numbers.

Medical Conditions

Please ensure that all **medical details are up-to-date** – if anything changes, please let us know **immediately** by speaking to the **office**.

All children with asthma should have an **asthma pump permanently in class (make a note expiry date so you know when to contact your GP)**. If they require any other prescribed medication, then please bring this to the office ONLY.

DO NOT GIVE ANY MEDICATION OR ASTHMA PUMPS TO CLASS TEACHERS OR SEND IT IN YOUR CHILD'S BAG

Throughout the year we will be contacting parents to update care plans. This is a legal requirement to ensure pupils are safe in school.

Medical Conditions

If your child hurts themselves outside of school and it is necessary for them to wear a cast/bandage or have crutches etc, then you must inform us as soon as possible and accompany your child to the **main office** on their first day of return.

Staff will help you to complete a temporary health care plan before letting them come into school. This is for their own safety.

Please bring with you any paperwork that you are given from the A & E department or doctors.
