Language of the Month: Mandarin Culture

China is the world's most populous country, with 1.35 billion people and its capital city is Beijing. Chinese culture is immensely diverse!

Architecture

Industrious Chinese laboring people created many architectural miracles such as the Great Wall or the Forbidden City.

The Great Wall of China is over 13 miles long and can be seen from space!

Art

Chinese calligraphy is considered supreme among the visual arts in China. In ancient China calligraphy was a means of communication and a way to express yourself.

Chinese art is famous for landscape painting and some of the greatest landscape masterpieces have been painted by Chinese artists.

Riverside Scene at Qingming Festival is a panoramic painting by Zhang Zeduan (960-1127)

Language of the Month: Mandarin Culture

Music

China has a long musical tradition. Over the centuries, musicians developed various styles of music and invented or adopted many types of instruments.

From classical traditional music to folk and ethnic music, there is so much to appreciate.

Erhu

The Erhu will probably be the traditional instrument that you'll be most likely to see in a trip to China.

You might see it played for entertainment in public parks or by street musicians.

The Guzheng is a plucked string instrument and one of the most ancient Chinese musical instruments.

Language of the Month: Mandarin Culture

Dance

Chinese dance may be divided into two main styles: court dances and folk dances.

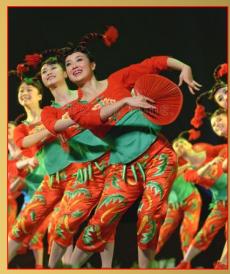

These range from the classical choreography still used in the Beijing Opera to the many representations of ethnic culture performed in festivals.

Beijing Opera

This is a widespread style of drama.

It is drawn from popular legends and folklore which is characterized by face painting, acrobatics and elaborate costumes.

Traditional Chinese instruments accompany the acting. Dialog is in Chinese.

Culture

Chinese New Year

Chinese New Year has more than 4,000 years of history!

It is the grandest and most important annual event for Chinese people.

Most employees in China have at least seven days off work, while students take one month absence from school!

Based on the lunar calendar, the festival has no exact date. In 2018, the Chinese New Year officially begins on 16th February.

In London, the Chinese New Year festivities, the biggest celebrations outside Asia, take with colourful parades, performances and displays in and around Chinatown and London's West End.
