Reading

- In **Year 6** we expect pupils to be reading for at least 15-30 minutes each day to help pupils build on their fluency in reading.
- Children are given a book by their literacy teacher which suits their reading level and they can also select a fiction and a non-fiction book from the library.
- Year 6's library day is on a Friday every other week.
- **Please ensure books are placed in their book bags every day.**
- Reading records should be signed regularly. Pupils should have them every day in their book bags.
- Pupils receive a raffle ticket for each day they read.

Homework

At Curwen we believe that you can learn at home as well as at school. This is why we have homework each week and reading records.

Homework goes out on Fridays and is due back on Thursdays. If it isn't completed by then, you will have a chance to complete it on Thursday Lunchtime in **'Homework Detention'**. Do we want this to be the case?

There is a 'Homework Club' on Monday nights, where staff can help with homework. There are also homework/revision sessions at lunchtime.

How can you support your child's learning?

Trip letters

Please make sure you have signed the new trip letter form at the start of the year allowing your child to come to all visits. We will send another letter nearer the time of each trip to remind you of it. Remember to check the school App and weekly newsletters for news and updates about trips and whole school events.

Where possible, we are always pleased when Parents/Carers volunteer to come along and help with supervising groups, so please speak to teachers.

What will these educational visits (trips) cost?

At Curwen we believe our children should be given every opportunity to build on their life experiences. To ensure this happens the school pays for all coaches used and contribute to the cost of all any educational visit over £10.

You will receive a letter summarising the cost of all trips in this academic year.

It is impossible to continue to see Curwen's pupils on these amazing trips if families do not pay their contributions.

Theatre Trip

All pupils from Nursery to Year 6 are given the opportunity to visit a professional theatre production. Teachers say that these experiences have an immensely positive impact upon the lives of our pupils.

Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

When collecting your children welcome with a smile not a mobile phone.

This ensures teachers can quickly and safely hand over children and relay any messages.

Please remember to inform the office as well as the class teacher of any changes in the collection of your child.

Rules for Online Safety

-  Keep telephone number, address, name/location of school, parents' work address/telephone number private. 
- Report any information that makes me feel uncomfortable to my parents or my teacher. 
- Never send a person your picture or anything else without first checking with my parents. 
-  Never respond to any mean or unkind messages. Tell parents/teacher if any messages make you feel uncomfortable.
- Set up rules for going online with your parents about the time of day, the length of time and appropriate areas for you to visit. Stick to them! 
-  Never give out internet passwords to anyone (even my best friends) other than parents. (MLE)

INTERNET SAFETY

In class we have displayed three main rules to stay safe online:

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

The NCA's CEOP Command (formerly the Child Exploitation and Online Protection Centre) works with child protection partners across the UK and overseas to identify the main threats to children

INTERNET SAFETY

Online Gaming

ROBLOXS

FORTNITE

Pupils are able to be messaged by strangers and communicate with them

How many friends have your children got online?

Do they understand what a stranger is?

Stranger Danger applies online!!!!

Clubs

We offer lots of FREE after school clubs for your children which run from 3:15 to 4:25.

We encourage all the children to try and attend at least one club a week.

The behaviour expectations during clubs are the same as the daily expectations at Curwen and can ultimately determine whether a child can continue attending.

Booster clubs

Maths (every Tuesday) and Literacy (every Wednesday)

These clubs start next week. You will receive a letter from your class teacher if you are expected to attend.

NOT optional!!!

Clubs

Club choices letters will be handed out at the beginning of next week after children have added their voice - this is so that you can have a discussion with them about which clubs they would like to do.

A confirmation letter will be sent home soon after.

Clubs will begin in first week of October.

A common question we are asked is "Can both of my children have a club on the same evening?" Unfortunately being such a large school with many families, we are unable to accommodate this.

Promptly collect your child by 4.30pm!

Children's University

- Children should continue to collect stamps/signatures in their new passports (either by: attending some Curwen clubs and by visiting 'learning destinations' around London & further afield)

- When your child reaches 30, 65, 100 or more stamps/signatures (called University hours), they are invited to a graduation presentation. **We will inform you when we will be checking passports.**

- The purpose is to promote and celebrate additional learning experiences outside of the school day e.g. karate, swimming, ballet, drama, visiting libraries, art galleries or museums etc

Children's University (2)

- Lists of 'Learning Destinations' will be sent out so you with their new passport and then are available from the office & sent out regularly
- The 'E-zine newsletter' is sent out just before every holiday with details of additional activities/events to collect more stamps/signatures
- Passports can be replaced at the office for £3
- If you have any questions, please speak to the office or Mr Potter

Medical Conditions

Please ensure that all **medical details are up to date** – if anything changes, please let us know immediately by speaking to Mrs Welch and Ms Britton.

All children with asthma should have an **asthma pump permanently in class (check expiry date regularly)**. If they no longer require an asthma pump, please put this in writing with a letter from the doctors.

Throughout the year we will be contacting parents to up-date care plans. This is a legal requirement to ensure pupils are safe in school.

What is Place2Be?

Place2Be aims to promote children's mental health and learning by offering a range of services to support individuals and their families.

Place2Talk: a lunchtime drop-in service for all children from Y1 to Y6.

Place2Be One-to-One Counselling: Children are referred for a number of reasons and with parental consent attend weekly counselling sessions for up to a year.

Parent Counselling:

We have a free and confidential adult counselling service

Parental Consent for Place2Talk

One of the most popular aspects of Place2Be's support in schools is called 'Place2Talk'. It's open to all pupils, and they can make an appointment to spend 15 minutes with a trained counsellor, either by themselves or with a friend. On average, about a third of pupils in Place2Be's schools take advantage of this service every year. Pupils often talk about friendships or any worries they may have.

Unless we hear otherwise from you, the school and Place2Be will assume that your child has parent/carers' permission to come to Place2Talk. However, If would like to find out more, or would prefer that your child does not use this service, please contact Rodney Dee (Place2Be School
