Arriving at School

We are having soft openings and closings to minimise the number of people in the playground.

The gates will be open at **8.45** am and close at **8.55** am everyday, any children who are late should wait with a parent/carer outside the main office until your child/ren can be escorted to their class.

If you want to come to Breakfast Club it is from 7.45 - 8.30am everyday and costs 80p. (Children will not be admitted after 8.30am). Entrance to breakfast club is via the main office.

Collecting your child

You can collect your children from their classrooms between 3:10-3:20pm. After this time, you are late.

The playground gates will be closed at 3:20pm.

If your child is collected after 3:30pm you maybe charged a late fee.

PLEASE PHONE THE OFFICE AS SOON AS YOU KNOW YOU ARE GOING TO BE LATE COLLECTING YOUR CHILD.

Collecting your child - safety at the classroom door

Please be patient with teachers and staff whilst we get to know your faces at the end of the day.

We want to make sure that the children are sent home safely, so please be patient. The teacher may be speaking to a parent, so it may take a minute or 2 to dismiss your child.

Please stand back from the yellow arches to give children space to come out of the classrooms.

**PLEASE PHONE THE OFFICE
IF SOMEONE DIFFERENT IS

After school childcare provision

After school we have a **6 o'clock club**. This runs Monday to Friday and is open to anyone.

The cost is **£10 per day** and children are supervised by members of school staff.

This club is flexible - some children stay all week but others only stay on certain days but this must be booked in advance.

Please speak to a member of the office staff if you would like more information about **6 o'clock club**.

Clubs - extra curricular activities

Pre-COVID we offered lots of after school clubs for your children which ran from 3:15 to 4:30.

We hope to be able to start running after school clubs again in the coming weeks and we will be writing to you with information about this in the next couple of days.

Clubs - continued....

There will be 2 types of clubs after school

- (1) Invite clubs - these are additional learning support sessions delivered after school for specific children. School staff decide on who needs to attend these. **Starting end of September.**
- (2) Extra-curricular activities e.g. cooking, art, sports, gymnastics - some of these will **be paid for** activities. Open to all children. **Starting after the Half Term Holiday.**

Class teachers have been instructed not to take cash or cheques. The only exception to this is charity donations.

**If you need any help setting this up then
please speak to office staff.**

Celebration/birthday treats

We request that parents **do not** send in party bags, sweets or treats for their child's birthday as this becomes very difficult for us to manage in school. They will no longer be given out and will be returned home.

To celebrate children's birthdays, we invite them to wear **non-uniform** when it is their birthday. That way staff know it is their birthday and we can make it a special day for them. If their birthday is a Saturday or Sunday or in the holidays then they can choose whether to celebrate the Friday before or Monday after.

Water bottles

- Please ensure your child brings a water bottle (with water!) each day
- This should be labelled with your child's name and class
- This is important now more than ever as the shared water fountains are currently all out of use
- Please ensure NO bottles are made of glass

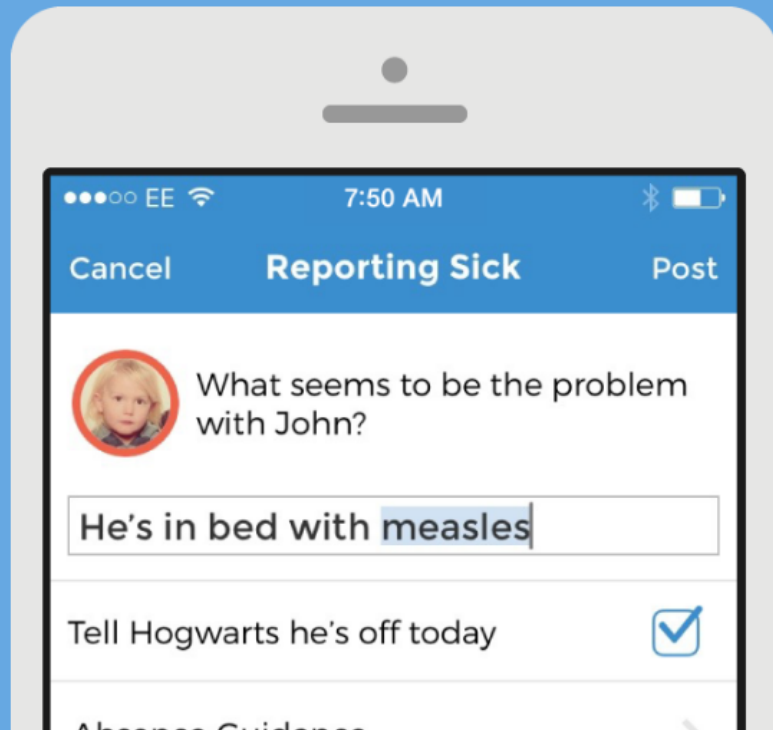

Appointments

- All medical and dental appointments should be arranged **outside** of the school day where possible.
- Where this is not possible, please inform us through Studybugs and provide evidence of the appointment.
- If your child is at an appointment in the morning then they should return to school after it. However, if you cannot get them back to school before 12pm, then they should not come back until 1pm and should have lunch at home.
- **No children will be admitted during the lunch hour 12-1pm.**

Medical Conditions

Please ensure that all **medical details are up-to-date** – if anything changes, please let us know **immediately** by speaking to the **office**.

All children with asthma should have an **asthma pump permanently in class (make a note of the expiry date so you know when to contact your GP)**. If they require any other prescribed medication, then please bring this to the office **ONLY**.

DO NOT GIVE ANY MEDICATION OR ASTHMA PUMPS TO CLASS TEACHERS OR SEND IT IN YOUR CHILD'S BAG

Throughout the year we will be contacting parents to update care plans. This is a legal requirement to ensure pupils are safe in school.

Medical Conditions

If your child hurts themselves outside of school and it is necessary for them to wear a cast/bandage or have crutches etc, then you must inform us as soon as possible and accompany your child to the **main office** on their first day of return.

Here, staff will help you to complete a temporary health care plan before letting them come into school. This is for their own safety.

Please bring with you any paperwork that you are given from the A & E department or doctors.

RSE (Relationship & Sex Education)

J

Relationship and Health education was made mandatory for all primary schools to teach from spring 2020. It will be delivered through the school's PSHE (personal, social, health and economic education) curriculum.

Our curriculum was designed in consultation with Parents and is now in place from September 2021.

More information will follow this meeting for those that wish to find out more.

Homework

All homework will be put online onto your Child's Google Classroom account each Thursday or Friday. There will be a literacy task, a maths task and sometimes a topic project.

This will usually be revision of topics that have been covered in class that week.

Please speak to your child's class teacher if you are having any problems with this.

Reading

- In **Year 5** we expect pupils to be reading for at least 20-30 minutes (5 times per week minimum) to help pupils build on their fluency and enjoyment in reading.
- Children will soon be given a book by their teacher which they will be able to read independently. They can also select a fiction and a non-fiction book from the school library.
- Year 5's library day: 5T Tuesday, 5C Wednesday, 5B & 5L Thursday.
- **Please ensure books are placed in their book bags for these days.**
- Reading book changing will take place when your child has finished their reading book.

INTERNET SAFETY

In class we have displayed three main rules to stay safe online:

- Don't share personal information
- Don't communicate with strangers
- Tell a trusted adult if you are worried about something

Stranger Danger applies online!!!!

INTERNET SAFETY

Online Gaming

Is the content age appropriate?

Fortnite PGI=12 years old

RoadBlox=7 years old

Hello Neighbour PGI=13 years old

Lots of games have communication facilities that allow strangers to contact your child. Do you know who your child is 'chatting' to?

If you are ever concerned about accessing information online or have any questions about internet safety, you can speak to your class teacher or the ICT co-ordinator (Mr Woolstencroft).

There are several websites offering help and advice about how to stay safe online. Just search 'e-safety', e.g.

<https://www.thinkuknow.co.uk/>

A screenshot of the CEOP's Thinkuknow website. The header says 'Welcome to CEOP's Thinkuknow'. Below the header is a navigation menu with options: '5-7?', '8-10?', '11-13?', '14+?', 'Parent/Carer?', and 'Teacher/Trainer?'. The page also includes a 'THINK UK KNOW' logo and a paragraph of introductory text.

THINK UK KNOW

Welcome to CEOP's Thinkuknow

Come in to find the latest information on the sites you like to visit, mobiles and new technology. Find out what's good, what's not and what you can do about it. If you look after young people there's an area for you too – with resources you can use in the classroom or at home. Most importantly, there's also a place which anyone can use to [report](#) if they feel uncomfortable or worried about someone they are chatting to online. All the information here is brought to you by the team at the [NCA's CEOP Command](#). We hope you like it!

Are you...

5-7?	8-10?	Parent/Carer?
11-13?	14+?	Teacher/Trainer?

How can you support your child's learning?

- Homework
- Reading records - discussing the text with your child and asking them questions
- Handwriting
- BUG Club & other online learning
- Practising times tables
- Come wearing P.E. KIT each Wednesday
- Participate in any parent opportunities (virtual for now)
- Talking about their experiences

Well-being

At the end of the school day, your children have lots to share with you. They may have stickers, they may have learned something really exciting they'd like to tell you about!

Please, leave your phones in your pockets for 10 minutes while you greet your child.

And please don't be offended if we don't let your child out until you have finished your call.

When collecting your children, please welcome them with a smile, not a mobile phone.

This ensures teachers can quickly and safely hand over children and relay any messages.

Please remember to inform the office as well as the class teacher of any changes in the collection of your child.
