# Draw a Perfect Circle

1. Use a piece of string a stick and a pen to draw a perfect circle!

2. Hold the stick with one hand. With the string tight move the pen around the stick to draw a circle...

3. How big or small can you make your circle?

4. Can you mark the: radius, diameter and circumference measurements on your circle?

This is one of  
14 green spaces  
managed by the  
City of London at  
little cost to the  
general public.

# Make a Rubbing

1. Find some paper and crayons or pencils...

2. Look inside your house for lots of different textures. Place the paper on top and rub carefully in one direction. How many textures can you find?

This is one of  
14 green spaces  
managed by the  
City of London at  
little cost to the  
general public.

# Make a Collage Drawing

1. Find some  
objects to  
draw.

2. Stick some coloured  
paper onto some  
background paper

3. Look closely and draw  
on top using any pens or  
pencils you have!
