

24th June 2020

Dear Parents, Carers and Children,

I hope you are all well and enjoying this glorious weather.

As you know, we are developing plans for how we can move forward and we are waiting for details from the government in regards to this. Our schools are planning as much as they can with the little information they have received and they will let you know as soon as possible how we will be moving forward. Our schools have also continued to extend their offer to more children and will be contacting parents directly over the next few days with more information.

One thing that has become apparent to us all over this time is the incredible partnership that we have developed. As a Trust we want to be able to plan, adapt and improve the way we work in the future using this difficult period to learn from both the positive and negative areas that we have experienced. Therefore, we have designed a survey to gather information from parents about what has been working well and what could be better and I would really appreciate it if you could complete this - <https://www.surveymonkey.co.uk/r/2020CioE>. The survey is open from today and will close on Wednesday 15th July at midday in order to give everyone as much time as possible to take part. As we make plans for the future, your voice in this is crucial in order to ensure that we become even better, stronger and more effective in working together, achieving for all.

I hope you all have a good week and I will write again next week with further updates.

With Best Wishes,
Paul Harris,
CEO of The Tapscott Learning Trust
