

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers,

Welcome back! I cannot tell you how lovely it has been to see you all back, and the lovely happy faces of our children. We have been SO impressed with all of the children with how well they have returned and settled back into school after such a long time off for many of them, and with all of the changes we have had to make. Hopefully you have been hearing from your children about everything in school, and they are feeling safe and happy here. If they have any worries then please let us know so we can talk to them about it.

Thank you so much to the vast majority of our families for all of your cooperation with the one-way system and other measures we have in place. We hope that you are getting used to our systems now, so would urge you **not** to arrive too early. Children can be dropped off or collected **any** time during the 20 minute window. If you do arrive before the gates are opened then **please** make sure you observe social distancing whilst waiting and help to protect one another.

We have been made aware that rumours have been circulating that schools will be vaccinating and/or testing children in school. Please rest assured that this is **not the case**. If you haven't already seen them, our Parents FAQs explain a lot of the measures we are taking in order to keep everyone as safe as possible. They are available on the website in the 'Back to School' section. Please remember that we are happy to answer any questions you may have, just contact us via email, phone or **Studybugs** or have a quick chat with SMT in the playground.

We wish you a wonderful weekend, and look forward to welcoming our new Reception children in next week!

Have a lovely weekend

Mrs Mansfield

Contact Details

If you have changed any of your contact details over the summer holidays, you must inform the office as soon as possible so your child's details can be updated. Please note that it is vital for us to have your child's/your details in case of any emergencies.

School Documents Requests

Please note that if you require any documentation from the school you will need to give us one week's notice prior the date you would like to receive the documents. Many of the documents requested have to be completed by teachers who are extremely busy during the day. Thanks for your understanding.

Curwen's Gone Cashless

We are happy to announce that we have officially gone cashless. We believe online transactions will be a real success and will limit the amount of confusion and mistakes cash transactions have caused in the past. We urge all our parents to gain access to SchoolMoney in order to pay for trips, uniform and breakfast club. 6 o'clock club will need to be booked and paid via SchoolMoney by Midday on Friday for the following week. Please do not hesitate to contact us if you have enquiries.

Medical Appointments

All medical appointments must be arranged for outside school times unless this is absolutely not possible. If you do need to take your child for an appointment, you will have to either take the whole morning or afternoon off depending on the time of your appointment. Please be advised we will not permit any children to enter the school between 12-1pm. Proof of the appointment has to be provided.

Issue 1

14th September 2020 to 18th September 2020

Dinner Week Menu: 3
