

# THE CURWEN NEWS

Dear Parents and Carers,

Well as we come to the end of the second week back, we have already had lots going on at Curwen! As well as all of our usual clubs, we have also had lots of visits out, with our children being wonderful representatives of the school.

As you may be aware, some of our clubs have changed to ensure that as many children as possible get the opportunity to attend. Please check with your child's teacher or the school office if you are unsure which days your child has clubs now. As always, a big thank you to all of our staff for running the clubs and to all of you with your ongoing support.

Don't forget - to make sure that you are able to keep up-to-date with all the latest information - make sure you download Study Bugs and the school app.

Have a lovely weekend  
Mrs Mansfield

## Arts Matters

Eight East London schools have been invited to collaborate on a project to showcase the importance of art and imagination in our lives. The aim is to generate an idea based on Imaginary Ecosystems. All these involved will be generating posters, drawings and collect related theme material for their final presentation. The work produced by the students will be featuring within the publicity material for the great, Art Matters, exhibition at UEL.

Mr Burrows and seven other students have been working hard to generate ideas for our school. Our children attended UEL on Wednesday 15th January to work with other schools, in the borough creating the publicity material for the exhibition.

We are extremely proud of our students and we are excited for the final exhibition in July!
