

THE CURWEN NEWS

Dear Parents and Carers,

Well we are already a month into 2020! The children at Curwen have made an excellent start to the new year, and some fantastic learning has been going on. We are really looking forward to seeing you all for parents' evening the week after next, so please make sure you book an appointment with your child's teacher. As always, we will have lots on offer both evenings including school dinner tasters, information from local groups and the book fair.

Next week will see our year 5 children going to the Lake District for the second year running alongside North Beckton Primary School. We are sure the children will have an unforgettable week and I would like to take the opportunity to thank our fantastic staff who are always ready and willing to give up their time to ensure these opportunities are available.

Can we please remind all parents and carers to drive and park considerately in the streets surrounding school. This week we have had complaints from very angry residents about damage caused to front gardens, as well as one person knocked off his bike. Our PTA have kindly contacted the council for support with the difficult conditions on the approach to the school, but we would appreciate your co-operation in this matter.

Have a lovely weekend!
Mrs Mansfield

SEND High Needs Funding Consultation

Newham Council provides mainstream schools with funding from the High Needs Budget for pupils with the highest special educational needs and disabilities.

This budget will be overspent by approximately £8.2 million in 2019/20. The Department for Education will require Newham Council to provide a Budget Recovery Plan for how we would address this overspend when it happens. We are publishing a consultation to get your views on a proposal about how we can reduce the overspend.

The consultation will be open between **22/01/2020** and **03/03/2020**.
