

THE CURWEN NEWS

Dear Parents and Carers,

We have had some lovely visits out this week, and are all very excited about the arrival of our Sensory Bus! We will make sure there is time for all of the children to go on board and see it, and then it will be timetabled for use throughout the day. Again thank you to everyone that helped us to fundraise and made our plans a reality.

With Coronavirus dominating the news, we would like to thank all of you for remaining calm and ensuring your children are in school. We would like to reassure you that we are following all advice carefully, and are very appreciative of your cooperation. If you haven't already, please make sure that you have downloaded our school app and Studybugs so that we can keep you updated as necessary.

Please remember that next week we have our RSHE meetings for parents, so do come along to hear about our plans so far and share your ideas with us.

Have a lovely weekend
Mrs Mansfield

Curwen's Sensory Learning Bus

We are very excited at the new arrival of our Sensory Learning Bus! Over the next week, the children will be visiting the bus and we will also open it up at 3.00pm to parents. We would just like to say a huge thank you to everyone who has helped raise money towards our children's learning.

Urban Debate League Round 2

Well done to the Curwen Debate Team who secured another three (out of four) victories during the second round of the Debate Mate Urban League. We particularly enjoyed two tightly contested debates with Elmhurst Primary School with both schools taking a win each. We wait eagerly to see if we can remain in the top 10 and make the national finals in May. Fingers crossed!
