

Together Everyone Achieves More

Dear Parents and Carers,

Welcome to our new Reception children! It has been wonderful seeing them all settle in this week, as well as welcoming some of our new Nursery children. It is lovely having the children in and working hard.

We would like to thank all of you that have attended our *Zoom* Welcome Meetings. Hopefully this has helped you to get a better picture of what is happening in school, and who some of the key staff in your child's year group are. We are very sad that it is not possible to invite parents in as we ordinarily do, but are looking at how we can provide you with opportunities to share in your child's learning.

We would like to thank you all for your generous contributions for *Jeans for Genes*. We are delighted to inform you that we raised £347.06.

We wish you a wonderful weekend – let's hope the sun makes a reappearance.

Curwen's TT League

This week, we are launching a brand new tournament to help children become more fluent in their times tables using 'TT Rockstar'. As part of a new initiative, the 'Curwen's TT league' will bring all the classes together to learn their times tables in a fun and competitive environment. Every week, each class will compete with a different class across the school and the winners will be rewarded with a star. Eventually, every class will face each other and the class with the most stars will win the league.

So that you don't feel left out, we will inform you of the latest results and fixtures on our weekly newsletters. Please encourage your child/children to practise so that their class have the best possible chance of winning. Good luck!
