

Dear Parents and Carers,

We would like to thank all of you that have downloaded Studybugs and are using this to read the information we send out and to contact us. We hope you are finding it a helpful way to keep in touch with us.

As you will be aware, this week was the first time that we have had to close one of our bubbles. We would like to thank all of you for your support with this, and a massive well done to the children who have been managing to log into Zoom for online learning (and a big well done to their teacher!). Please look out for information about how we will be managing our home learning for children having to isolate, as we will be sending this out next week. As we are sure you appreciate this is very new to us all, so please do bear with us through the inevitable technical issues which we are sure will come!

A few parents have spoken to me this week about their children's hands becoming dry due to hand washing. As I'm sure you understand, we have to ensure children are regularly washing their hands throughout the day. If your child would benefit from it, please send them in with a tube of hand cream. We recommend that this is some kind of emollient-based cream, or is unperfumed to avoid further irritation to their skin. This can then be left in school and your child can apply themselves as or when they need it.

You may have seen Mr Harris' message this week requesting **parents and carers to wear face coverings when coming to drop off and/or collect their children**. This is due to us trying to keep everyone safe with the rising numbers of cases currently. We have also had a few complaints from parents about physical distancing, so please ensure you attempt to keep 2m between you and other families whenever possible.

We wish you a lovely weekend,

Mr Harris and Mrs Mansfield

## Congratulations to our new Parent Governor

As you know we have held an election for a Parent Governor, and would like to thank everyone who voted during the election. The long wait has come to an end; we are delighted to announce that our new Parent Governor is **Mr Shaba Ali**

*"I've lived in Plaistow for over 30 years, attended Curwen in the 90s and still have very fond memories of my time, my daughter, family, friends attend the school. I worked for 10 years as a charity fundraiser, now a carer for the elderly. I plan outcomes of council funding of 25k with the community neighbourhood's team and Councillor Joy Laguda. I work closely with Mayor Rokshana on various projects and sit on council resident's boards and forums. We would like to thank all of our candidates for their applications.

**Congratulations Mr Ali, welcome to Curwen's Local Advisory Board!**

Last week we have launched a brand new tournament to help children become more fluent in their times tables using 'TT Rockstar'. As part of a new initiative, the 'Curwen's TT league' will bring all the classes together to learn their times tables in a fun and competitive environment.

So that you don't feel left out, we will inform you of the latest results and fixtures on our weekly newsletters. Good luck!
