

Year 3 Homework

Set date: Friday 9th October

English	Maths	Science	Topic
<p><u>Reading</u> This week we started reading our new books. Think about the characters in your story. Draw a picture of your favourite character and describe it using adjectives.</p> <p>Next, think about the setting. Where is the story taking place? How does the author describe it? Pick out a few powerful words describing the setting and find as many synonyms as you can using a thesaurus. Here is a link to an online thesaurus you could use: https://kidthesaurus.com/</p>	<p>How confident do you feel about subtracting? What level will you make it to?</p> <p>Subtraction Grids: https://www.topmarks.co.uk/maths-games/subtraction-grids</p>  <p>Practice subtracting one number from another. What level will you make it to?</p> <p>Fruit Splat Subtraction game: https://www.sheppardsoftware.com/math/subtraction/fruit-splat-game/</p>	<p>During Science we learnt about the different food groups that make up a balanced diet.</p> <p>Find this Google Slides file on our Year 3 Google classroom. Submit and turn in your work as usual.</p>  <p>Can you work out which food group each item goes in, and match the description for that food group?</p> <p>If you don't have access to Google classroom, draw your own Eatwell plate</p>	<p>As part of our Geography topic, we will be looking at sustainability. We learnt that sustainability means taking care of our planet. Can you think of ways you can do to take care of our planet? Hint: Think of extinct animals,</p> <p>Go to Espresso and search for a video on sustainability. https://central.espresso.co.uk/espresso/modules/t2_sustainability/video_pages/video_what_is.html?source=search-all-all-all&source-keywords=sustainability</p> <p>Make a poster explaining what sustainability is. Remember to include colourful images, headings with key information, and a question to challenge the reader.</p>

Spelling

Verbs are action or doing words.

Here is a list of verbs we should know how to spell in Year 3.

1. heard
2. answer
3. appear
4. arrive
5. promise
6. breathe
7. build
8. learn

Copy each word out at least 5 times to help you remember.

Challenge: Can you write a sentence for each word to describe something?

Writing

Draw a poster advertising the book that you are reading in class at the moment. Why should they read it? Include colourful pictures of the main character/s and the setting.

Practise counting aloud forwards and backwards in multiples of 3.

e.g: 3, 6, 9, __, __...
60, 57, 53, __, __...

It's competition time! Can you win this week's tournament on TTRockstars? Spend 20 minutes per day practising your times tables. Can you challenge a friend or teacher?!

Challenge:

If I start counting from 2, in steps of ten. I shall only say no even numbers? True or false? Why?

If I start counting backwards in fours from the number 93, I shall say the number 43. True or false?

Google Classroom homework:

Complete the maths homework on google classroom. Only complete the paper copy if you do not have access to google classroom at home. Remember to click on 'Submit' and then 'Turn in' to hand in your assignment.

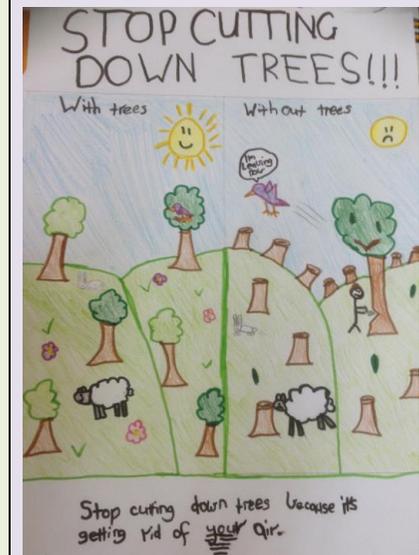

with these food groups: Fruit and vegetables, Oils and spreads, Proteins, Carbohydrates, Dairy and alternatives, Things high in Sugar, Fats and Salt.

How big should each section be? Draw some items in each part of the plate.

Here are a few to get you started:

Here are some examples that can give you ideas.

If you have forgotten any of your login details, send us a message on StudyBugs and we will send them over. Don't forget to have a look on some of the other areas of the website for lots of useful ideas for learning activities.

We would love to see pictures of your learning at home! Send them to homelearning@curwen.ttl.academy with your name and class and we may feature them on our website.
