

# Year 3 Homework

Set date: Friday 9<sup>th</sup> October

English	Maths	Science	Topic
<p><u>Reading</u> Design a new cover for a favourite book <u>or</u> a book you're reading right now.</p> <p>Remember, your book cover needs:</p> <ul style="list-style-type: none"><li>• Book title</li><li>• The author's name</li><li>• The illustrator's name (but only for books with drawings in!)</li><li>• A drawing of something from the book, usually the main character(s)</li></ul>  <p>Don't forget to design a back cover for your book! Type up the <b>blurb</b> (which is usually on the back cover of books) on <b>Google Classrooms</b>. A blurb is very short summary which gets the reader interested so make it exciting!</p>	<p>How confident do you feel about solving multiplication maths stories in your head? Select multiplication and challenge yourself.</p> <p><b>Mental Maths Train:</b> <a href="https://www.topmarks.co.uk/maths-games/mental-maths-train">https://www.topmarks.co.uk/maths-games/mental-maths-train</a></p>  <p>It's competition time! Can you win this week's tournament on TTRockstars? Spend 20 minutes per day practising your times tables. Can you challenge a friend or teacher?!</p> <p>Practise counting aloud forwards and backwards in multiples of 11. e.g: 11, 22, 33, ..., 121, 110, 99, ...,</p>	<p>In science this week we learnt about nutrition and why some groups of people may need to eat more of certain food groups than others. However, it is important that everyone eats a healthy, balanced diet.</p>  <p>Your task is to create and record a food diary of what you eat at the weekend. Are you eating a healthy, balanced diet? Remember the food groups from the NHS Eatwell Guide are: Fruit &amp; Vegetables, Carbohydrates, Protein, Dairy, Oils and spreads and Things high in Sugar, Fats and Salt.</p> <p>Have you eaten food from all of the groups? Remember some food groups should be eaten in moderation (small amounts).</p>	<p>As part of our Geography topic, we will be looking at sustainability. We learnt that sustainability means taking care of our planet. Can you think of ways you can do to take care of our planet? Hint: Think of extinct animals,</p> <p>Go to Espresso and search for a video on sustainability. <a href="https://central.espresso.co.uk/espresso/modules/t2_sustainability/video_pages/video_what_is.html?source=search-all-all-all-all&amp;source-keywords=sustainability">https://central.espresso.co.uk/espresso/modules/t2_sustainability/video_pages/video_what_is.html?source=search-all-all-all-all&amp;source-keywords=sustainability</a></p> <p>Make a poster explaining what sustainability is. Remember to include colourful images, headings with key information, and a question to challenge the reader. Here are some examples that can give you ideas.</p>

### Spelling

This week's spellings all have the split diagraph ('special friends') **i-e**.

Note: these might not all be **green words** (i.e. word you can sound out) but they all have the same **i-esound**.

1. arrive
2. decide
3. describe
4. guide
5. surprise
6. exercise

Copy each word out at least 5 times to help you remember.

**Challenge:** Can you think of any other words that use the **i-especial friends**? Write as many as you can think of.

### Grammar: a or an?

We use **'an'** in front of **nouns** that begin with **vowel sounds (a, e, i, o, u)**. With nouns that start with all the other letters in the alphabet (**consonants**) just use **'a'**.

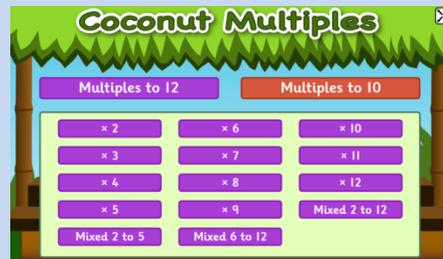

Example:

- **an** elephant
- **a** train
- I ate **an** ice cream.
- He lost **a** pencil.

Can you find all of the multiples and knock down the correct coconuts? What times table will you make it onto?

**Coconut multiples game:**

<https://www.topmarks.co.uk/times-tables/coconut-multiples>

### Challenge:

Can you learn a new times table? If you know all of them is there one you feel less confident with that you could practise?

### Google Classroom homework:

Complete the maths homework on google classroom. Only complete the paper copy if you do not have access to google classroom at home. Remember to click on 'Submit' and then 'Turn in' to hand in your assignment.

**Challenge:** Can you plan a healthy meal for a famous athlete? Why may they need more carbohydrates than others? Why may they need more protein?

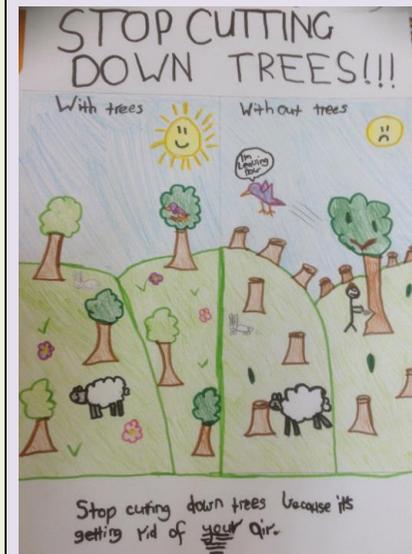

You can choose any athlete that you like, it could be a footballer, a cricketer or a player of any other sport.

Marcus Rashford

Usain Bolt

Serena Williams

Complete the work on **Google Classroom** by choosing either 'a' or 'an'.

\*Note to parents\*: some words (e.g. 'hour') doesn't start with a vowel **letter** but is pronounced with vowel **sound**, so 'an' is needed (i.e. '**an** hour').

If you have forgotten any of your login details, send us a message on StudyBugs and we will send them over.

Don't forget to have a look on some of the other areas of the website for lots of useful ideas for learning activities.

We would love to see pictures of your learning at home! Send them to [homelearning@curwen.tlt.academy](mailto:homelearning@curwen.tlt.academy) with your name and class and we may feature them on our website.
