

Together Everyone Achieves More

Dear Parents and Carers

A very Happy Hanukkah to all our families celebrating, we hope you have been able to enjoy it in these strange times.

This week we have started with some of our Christmas celebrations, with a pantomime performance in school for each class in EYFS and year 1. We have a personalised pantomime which the other children will watch in class from year 2-6 over the last week of term. Don't forget that we also have Christmas dinner for all children on Wednesday as well as our Christmas jumper day. Proceeds this year will be split between Curwen and "Ambition, Aspire, Achieve" in Canning Town. Our raffle is continuing up until our last special end-of-term assembly on the 18th. We also hope we will be able to release our Christmas songs soon (apologies, there have been some technical difficulties).

Thank you so much to all of you that have participated in our RSHE consultations, it has been really helpful collecting your views. These are now completed and the survey is closed. We will be publishing the outcomes of what you said on our website in the coming weeks and will let you know when that has been done.

A few parents and carers have asked about getting the flu vaccination for their child. Unfortunately we only have one day where the NHS offer this at Curwen. If you now want your child to receive the vaccine then please contact your GP.

Please remember that our after school clubs have now **finished** for this term, and that we finish school at 1:00pm on Friday 18th December. Children **must** be collected by 1:20pm at the latest.

We wish you all a lovely week.
