

Dear Parents and Carers

We can't believe it is nearly the end of 2020! This has to be the strangest, and most challenging year that we can think of. We would like to thank you all for your ongoing support and enthusiasm. Although we have all been getting used to a new 'normal' we have been so impressed with how you make use of online learning, Zoom and Studybugs to send us messages.

As you will have seen, the current infection rate is continuing to go up in London – and in Newham. We would really ask that you do your best to follow all of the rules (we know these are complicated!), and thank all of you that are working hard to safeguard those in school and in our local community. Please remember that if **anyone has symptoms** in your household that everyone **must** self-isolate for 10 days **or** until the person with symptoms tests negative.

We really hope that you have been enjoying our Christmas videos and seeing all of your lovely children as stars of the screen. Thank you for your support on Christmas Jumper Day and with your raffle. We will let you know how much we raised in the New Year. Finally, I would like to say a very big thank you to our wonderful staff. They really do go above and beyond to make an education at Curwen as well-rounded and enjoyable as possible. They have worked tirelessly to ensure we have online learning up and running.

We hope that you all have a wonderful and restful holiday and that you are able to spend it with loved ones. A very Merry Christmas to all of you celebrating; see you in 2021!

Mrs Mansfield

**MERRY CHRISTMAS**  
and  
**HAPPY NEW YEAR**

### Our YouTube Channel—Christmas Songs Performance

We are pleased to announce that all our Christmas Songs Performances are now live on our YouTube page. The children have put so much work into making those videos and we are extremely proud of them. We hope you enjoy their performances as much as we did

**FAREWELL 2020 AND WELCOME 2021**

Well done Newham young people, we know it's not been an easy year, and I am sure you are looking forward to the holidays. During this festive season, we hope you're able to keep active both indoors and outdoors and we have included lots of ideas in this program. Remember COVID transmissio still a risk so please review the rules for staying safe over the festive season.
