

Together Everyone Achieves More

Dear Parents and Carers

It has been lovely walking around school this week and seeing the children getting stuck in with their learning – quite literally in year 4 where they have been sculpting with clay! It is so nice having everyone back, and we hope that the children are enjoying being able to spend time with their friends. The return of catch-up clubs this week has been very smooth. A big thank you to the staff for all of their support running these, and a big thank you to our parents and carers for allowing your child/ren to attend and collecting them on time.

Please remember that we have 20 minute windows to spread everyone out, so please **do not** arrive early which results in queuing. **All parents/carers will be requested to wear a face covering unless exempt.** Please do not be offended if staff ask you to wear a face covering, or display a lanyard to avoid this if you are exempt. We have lots of staff in the playground, so you are welcome to drop your child/ren at the gates and not enter the playground if you prefer not to put on a face covering.

We are including information again this week about the 2021 census. As you know, this happens every 10 years and it is REALLY important that everyone completes this. It is the information from the census which determines how much money Newham receives, so the more people that complete it the better off we will all be!

We are continuing to update the information on our school website, so please do have a look if you are struggling to find any information you need - <https://www.curwen.newham.sch.uk/>.

A big thank you for all of your support with Red Nose Day. We hope the children have enjoyed having a non-uniform day, and we very much appreciate the generosity of you all donating money on School Money. The payment option will remain on your account until Wednesday 24<sup>th</sup> March after which we will delete it. For anyone that wants to donate more money, please go to <https://donation.comicrelief.com/cart/1tTP5mkBnD9ufWEfR8xX8X>

We wish you all a wonderful weekend and look forward to seeing everyone (virtually) for parents' evening next week.

Mrs Mansfield

Since the beginning of the year, children have all worked really hard in representing their classes to become ultimate TT warriors. Unfortunately due to lockdown, we thought it was a good idea to pause the tournament so that we can continue to enjoy and celebrate the tournament once we were back at school. We are pleased to announce the tournament will now resume, so please support your child/children to keep practising their times tables
