

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

It has been a very short week, but we hope that you all enjoyed the bank holiday on Monday despite the weather we have been having!

We would like to thank you all for your support on Thursday in accessing Zoom sessions and encouraging your child/ren to complete the learning they were sent home with. We realise that any school closures create inconvenience, however unavoidable they may be.

We are excited to announce that Curwen has signed up for 'Street Tag' which is an initiative Newham is involved with, to get us all out and about. The children are all having assemblies about what this is and how to access it, and letters will be sent out with the school's QR code. Please do get involved as a family, as there are many prizes to win both as a school and individually!

We have had a great number of responses, but there is still time to share your experiences of home learning. The Tapscott Learning Trust survey is open to all parents and carers through this link — https://docs.google.com/forms/d/e/1FAIpQLSepjds9vB4uCd1uw_YmReqXtTX7TUnTBWXIQmpeFtNo43_Rg/viewform?usp=sf_link

We hope you had a lovely weekend and would like to wish you all Eid Mubarak.

Mrs Mansfield and Mr Harris

Class Photos

We would like to remind you that if you would like to order your child's class photos and to have it delivered to school free of charge, please make sure that you order it by this Wednesday 12th May. You can still order them after but you will be charged for the postage. If you have lost your child's order form with the website and codes, please message us on Studybugs and we will provide you with it.

Attendance—Eid Celebration

We know that many of our staff and families are celebrating Eid this week, so we would like to wish you all Eid Mubarak. We would like to remind you that if your child will be absent from school for Eid, please report the absence on Studybugs before 9am on the day. Only 1 days absence will be authorised for the religious celebration. Unreported absences will not be authorised and normal attendance procedures will apply, which will include phone calls and home visits to establish the reason for absence.

Attention Please!

We thank you for your co-operation.

The Debate Mate Cup

Some of our Year 5 and 6 students took part in the annual Debate Mate Cup, a debating competition which takes places across the whole country. The school entered three teams with each team taking part in two debates. The children debated whether education is the solution to curing malaria and whether children should have to do community service for three weeks in the summer holidays.

For many of the children it was their first time competing against another school. We are pleased to announce that out of a total of six debates the school won four.

All the teams impressed the judges and a special mention must be given to Mehreen in 5C. Out of all the children taking part in the competition she won the most improved speaker.

Well done on a great achievement!

TTLT Trekkers

On June 19th 2021, the TTLT Trekkers will be taking on the challenge of the Lake District Might Hike – walking 26 miles around Ullswater – and fundraising for Macmillan Cancer Support in the process. Our school is being represented by Miss White and Miss Sawyer. Together with teachers from North Beckton Primary School, they are hoping to raise £1250 in sponsorship through their marathon hike, and for that they are asking for your help!

You can sponsor any one of the team through their Just Giving page – go to <https://www.justgiving.com/team/Tapscott-Trekkers> and chose the team member you wish to donate to. Donating this way is simple, fast and secure; however, you can also donate the traditional way if you want to and sign up on a sponsorship form. Speak to anyone in the team for more details. We will also be running some socially-distanced fundraising events in school, if you're looking for another way to get involved. Keep your eyes open for more information!

Anything you can give, pennies or pounds, will be very gratefully received.

Wish them luck!

Family Support

Family Support services are available on Monday—Thursday, between 9:00 AM -4:00 PM (term-time only.) Family support can help with a variety of issues that you and your children may encounter. Poetry Corner

Over the past few weeks, our students have created videos and recited various poems during their class sessions. We are delight to see their passion and love for poetry. We have uploaded some videos of them performing poetry. Their performances can be found on our school website.
