

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

We come to the end of our International and Family Week. We really hope that you and your child have enjoyed all of the special events this week, and we would like to thank you for your support and enthusiasm. A massive thank you also to our fantastic staff who have worked extremely hard to organise everything. We have had some lovely comments from parents and carers, and really value your feedback. Please do send a quick message on Studybugs to let us know how you have found the week.

We would like to thank all of our parents and carers that donated to our collection for *Doctors Without Borders*. We raised a massive £671.79 which is fantastic! Thank you all for your generosity which we are sure will benefit a lot of people. This weekend, Ms White and Ms Sawyer are taking part in the 'Mighty Hike' in aid of Macmillan cancer support. We wish them both good luck and good weather for this massive challenge!

A quick plea to all parents and carers to please ensure that you **read** the messages we send on Studybugs carefully. As well as sending out all of our letters and information, we also contact you all individually to reply to your questions. However we often notice that these are going unread. It really helps us if you can please read everything and if you aren't sure do just phone and ask us.

As we sent out last week, please remember that the deadline for all applications to obtain settled status is 30th June 2021. Please keep in mind that a decision does not need to be made by that date but an application must be submitted. For support, contact Newham:

We have had a great number of responses, but there is still time to share your experiences of home learning.

The Tapscott Learning Trust survey is open to all parents and carers through this link — https://docs.google.com/forms/d/e/1FAIpQLSepjds9vB4uCd1uw_YmReqXtTX7TUnTBWXIQmpeFtNo43_Rg/viewform?usp=sf_link

We wish you a very lovely weekend.

Eco Champions

The theme of this year's International Week was 'The Environment.' The week began with an online eco assembly which included a special guest from Greenpeace who spoke to the school about the climate emergency and passed on some top tips of how we can all make a difference. During the assembly the School Council announced the Eco Champion from each class. The champions were nominated by their class teachers for outstanding commitment to protecting the environment and they will now form a committee and lead the school in a push to become more eco-friendly. Well done to all the champions!

Family and International Week 2021

Thank you all so much for supporting the school in bringing back International Week and Family Week. It has been extremely sad not having families in as we normally do, but we were so happy to see so many families participating in the various activities we have organised virtually.

The children have had a fantastic week from having close up encounters with animals, dressing up in their traditional clothes to celebrate the range of different cultures and heritages we are from at Curwen; creating fantastic mini-world experiences for themselves and others to experience and wild and fun art afternoon allowing pupils to express their creativity with their friends and family. A massive thank you to all the staff, especially the P.E. Team who have ensured that Carnival this year has been of a high quality and the children have really stepped up their dancing skills.

We have taken loads of amazing pictures of the activities this week and we are extremely excited to share them all with you on our gallery website page soon. In the meanwhile, we have just sent out the relevant links to your child's Carnival performance, they have worked extremely hard and they did not disappoint, the performances are phenomenal. Please check your StudyBugs messages for the links.

We would also highly appreciate if you could fill in our International and Family Week survey, we highly value your feedback!
