

Together Everyone Achieves More

Dear Parents and Carers

Unfortunately we have had a rather soggy sports week this week! Hats off to our wonderful PE team who have worked so hard to make it amazing for the children despite the regular downpours! It has been a real shame we haven't been able to invite parents and carers along, but we hope the children have enjoyed themselves and told you all about it.

This week we had our virtual TTLT Awards ceremony which recognised the hard work and dedication of our staff, parents, staff and community. Everyone in school had a lovely afternoon watching the awards, and we will share some photos on our website. We hope you managed to watch on YouTube premier and cheered along. If not, it is available to watch : https://www.youtube.com/watch?v=xO_HRIwr3HI&t=1455s

Next week we will be having our 'meet the teacher' day on Monday, so your child will get the chance to spend the morning with their new teacher and classmates. Although we know children will be sad to say goodbye to their current teachers (and I'm sure the teachers sad to say goodbye as well!), we hope the chance to get to know someone new is exciting. Children will also be receiving their school reports, so please make sure you get this.

As you will have heard, the government has announced some plans for schools in 'Step 4.' We will be taking time to carefully read this guidance, and to work out how this will work at Curwen. Nothing will change in how we are operating before the summer, and we will send out more detailed information before we break up.

We wish you all a wonderful weekend and fingers crossed for the England football team in the Euro finals on Sunday. As it is such a historic event for them to get to the final, we would like to invite all children to come in 'sporty' on Monday to celebrate. This could be wearing a football kit, taekwondo outfit, dance kit... anything they like! Let's hope we will have something to celebrate.

Have a wonderful weekend,
Mr Harris and Mrs Mansfield

HOME!**

Plaistow Library—Summer Reading Challenge

As you may be aware, our students have recently visited Plaistow Library and they have joined the Summer Reading Challenge.

Summer Reading Challenge 2021

**WILD WORLD
Heroes**

The aim of the Challenge is for children to read a minimum of six books over the summer, they will collect prizes and stickers as rewards for their reading, a medal when they finish and a certificate which will be presented in our school assembly in September/October.

The children will bring home from school their new blue library card, and the books which they have borrowed from the library. They will also bring home a collector folder where they can write down the names of the books they have been reading and collect their stickers.

But we need your help..... When school finishes for the holidays please help your child to keep up the Challenge by visiting any Newham library to return their books and choose their next ones.

If you have any questions about the Summer Reading Challenge please email library.activities@newham.gov.uk.

Issue 37

8th July 2021 to 10th July 2021

Dinner Week Menu: 3

WE ARE PLAISTOW

COMMUNITY ASSEMBLY.

Join us at your local Community Assembly to learn about the community projects which have been put forward by your local Working Group. This is your chance to hear directly from applicants about their proposals and get a greater understanding of how funding of £100,000 will be spent in your neighbourhood.

Monday 12 July, 6-7.30pm on Zoom

A British Sign Language interpreter will be available.

To register your place visit the Community Assemblies section at www.newhamco-create.co.uk

Contact Details

If you have changed any of your contact details you must inform the office as soon as possible so your child's details can be updated. Please note that it is vital for us to have your child's/your details in case of any emergencies.

Travel to Tokyo – Get Set Curwen Ministerial visit

**TRAVEL
TOKYO**

**TRAVEL
TOKYO**

On Wednesday 23rd June Curwen Primary School hosted an exciting Travel to Tokyo event where children and staff got active with Jazz Carlin, an Olympic silver medallist and Nigel Huddleston, the Minister for Sport and Tourism. Children in Reception and year 5 took part in a variety of Travel to Tokyo Ten physical activities. They had an amazing morning. We have taken some lovely pictures of the visit - please visit our website gallery. The virtual 'Travel to Tokyo' challenge has engaged over 1.5 million participants across the UK to get active in the build up to the Olympic and Paralympic Games. The programme has been designed to empower young people and their families to get active and make healthy lifestyle choices alongside their classmates.

The morning kicked off with an assembly. Pupils had the exciting opportunity to meet the inspirational two time Olympic Silver Medalist, Jazz Carlin, who talked about her love of swimming and what motivated her along her journey. Jazz went on to answer questions from the class before everyone got stuck into some fun activities in the playground. The fun, accessible and inclusive activities had been designed to motivate and inspire individuals to get active at their own pace in a fun, low pressure environment.

'These #TraveltoTokyo events are inspiring children and families to get active in the lead up to the Olympic and Paralympic Games!' - Nigel Huddleston MP

'I honestly had so much fun. It's so good to see how much these events are helping communities across the nation get active and build healthy lifestyles.' - Jazz Carlin
