Dear Parents and Carers,

Thank you so much for all of your support and positivity since we returned to Curwen in September. Although we have had to change much of what we do, it has been lovely to see how well the children have settled back in. If you were one of the lucky parents to be invited to a class Zoom assembly this week then thank you so much for attending and for your feedback. We hope you have enjoyed attending as much as we have enjoyed having you all watching.

There has been quite a lot of information sent out this week, so please contact us if you have missed out on anything. In particular you should have received a letter about your child's Zoom parents' evening time, and another letter to explain our arrangements for our RSE consultation which we will be holding next half term. More information, including all Zoom links, will be sent out to you after the holidays.

We realise that half term this year will probably be very different to many others, with all of the restrictions that we are currently under. Don't forget that there are lots of family learning ideas available on our website, as well as support services, if you are in need of these. We hope that, despite the Tier 2 restrictions, that you manage to have an enjoyable break. We know that there has been speculation about schools being closed for an extra week, but we have **not** been informed that this is happening. We have sent home learning out just in case, along with a letter to explain this further. As such, we look forward to seeing you all back on **Monday 2nd November**. Don't forget the clocks change this weekend so an extra hour in bed!

Have a lovely holiday

Mr Harris and Mrs Mansfield

RSE—Parent Survey

As you know we greatly appreciate all the feedback we receive from you. Today your children will come home with a letter to accompany the RSE survey that has gone live today.

Please access the following link for the survey : <https://www.surveymonkey.co.uk/r/X2NCN5L>

Your co-operation is highly appreciated.

Secondary School Applications

Please ensure you have completed your child's online secondary school transfer form by the 31st October 2020 latest. If you apply late, your chances of getting the desired school will reduce significantly. If you require any assistance please do not hesitate to contact us or speak to the class teacher at the end of the school day.

Harvest Food Bank

We would like to thank everyone for your contribution so far; all donations will be sent on to the local charity food bank based at 'Arc in the Park' which supports local families. All donations of **non-perishable foods** would be very welcome, especially at this difficult time. All items will be collected from **in the KS1 playground** as you pass through to the exits. In the interests of hygiene, you are kindly asked to place any donations straight into the boxes provided and that you **DO NOT** give donations to the class teachers or office staff.

The last day for all donations is **Friday 6th November**.

Issue 7

23rd October 2020 to 6th November 2020

LST1: Emmanuel (1C), LST2: Kareem (5C)

Study Bugs

We would like to thank all parents that have downloaded the app and are reading our communications. We would like to remind all parents that its **absolutely VITAL** to have the app installed and keep an eye out on the information coming through. In light of the on-going events, we as a school are trying our best to keep you informed at all times and provide you with the best guidelines and opportunities to ensure the children are safe and getting the most out of their learning. If you have not already done so, please install the app on your phone. If you require any help, please contact the school office.
