

Together Everyone Achieves More

Dear Parents and Carers

You may or may not be aware that we held our Curwen Awards via Zoom on Monday. Finalists from each category will represent the school at the TTLT Awards in July. We would like to congratulate all of our nominees, and to thank all of the school staff for taking the time to nominate them.

We are very aware at the moment of the terrible situation in India with covid-19, and know that this has directly affected many of our families and those in our community. As such next week we will be raising money to donate to Doctors Without Borders. Staff will have buckets on the school gates, and 50p will be added on School Money for anyone that would like to contribute. All children will be invited to wear non-uniform next **Friday** in aid of this (could year 2 please wear trainers due to having PE).

On that note, we realise that the local rate of covid-19 infections remains relatively low. However we ask that everyone continues to remain vigilant in keeping us all safe. If **anyone** in your household has **any one** of the 3 symptoms (cough, temperature or loss of taste/smell), then **please** let us know via Studybugs and **do not** send any of your children to school until the household member who is unwell has had a negative test. If you need any support with this, or are unsure, then please just ring us or send a message on Studybugs and we will be happy to help.

Thank you very much to all of those parents and carers who have sent us videos or come in to film them. We are very much looking forward to International Week this year, and to being able to share your fascinating stories with the children.

If anyone has any unwanted or unused books, uniform, bikes or scooters then we would be happy to take these and to provide them to those who need them. We know that times are tricky for many families in the current times, and please do remember that school is here to support you where we can.

We hope you have a lovely weekend.

Mrs Mansfield and Mr Harris

East London School Uniform Carers

Recycle for your community is an organisation across east London. They are asking parents/carers to take part in a survey about school uniforms. They are aiming to reduce the amount of material used each year and help reduce cost for families. Take part for your chance to win £30 and help improve recycling in east London! Look out for some very exciting recycling and environmental news very soon!

Poetry Corner

Over the past few weeks, our students have created videos and recited various poems during their class sessions. We are delighted to see their passion and love for poetry. We have uploaded some videos of them performing poetry. Their performances can be found on our school web-site. <https://www.curwen.newham.sch.uk/page/?title=Poetry+Corner&pid=47>
