

CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers

As we come to the end of a busy term we are hoping to be heading for some sunnier weather! We would like to thank you for your ongoing support, and are looking forward to lots of exciting events after the holidays.

A big well done to our year 4 Maths superstars this week, we are looking forward to hearing how they got on. Some of our school councillors in year 5 also attended a meeting as part of Newham's Year of the Young Person where they put forward their viewpoints on the borough. Some leaders of the future!

We do hope that you will be able to join us for our virtual Family and International Week events after the holidays, and we have plans for sports days and special end-of-term events for the children. We are deeply sad that many of our usual events are still not able to take place, but are hopeful that next year we will start getting back to some sort of normality in school.

Just a reminder that over the holidays school is required to continue to track and trace. As such, if your child has a positive test result you must inform us by emailing info@curwen.tlt.academy. We will message parents on Studybugs if we do have any confirmed cases, so please do ensure you continue to check your messages.

Well done to all our 100% attendance classes this week—**3B/6U/6K**— **Congratulations!**

We wish you all a lovely half term - fingers crossed the sun makes a welcome appearance!
Mrs Mansfield and Mr Harris

Count On Us Challenge

Over the past 2 months, children in year 4 have been taking part in a maths club to prepare for the annual Mayor of London's Count on Us challenge against schools from across the country. The competition consisted of 4 challenges: Pentominoes, Tangrams, Code breaking and the 24 game.

A massive well done to the finalists Ryan Fatnassi, Nikol Penkova and David Yesan who showed resilience and determination throughout the preparation phase and the competition!

inspire.innovate.educate

Congratulations everyone !

Street Tag

Launched on 10 May 2021, Street Tag is a FREE fun, family-friendly game that enables players to collect points by using their smartphones to scan virtual tags. The tags can be found in various locations across the borough including parks and open spaces, libraries, community and leisure centres and other areas of interest. The app will log any activity completed by participants, and it will show on a range of competitive community and school leader boards.

Steps to join your School Team - Download the App "Street Tag" from Play Store/ App Store—Click on Sign up—Fill in your details—Password should be at least 8 characters with 1 special character, 1 upper case, and 1 number—Click yes for Team QR CodeScan the school QR Code—Click Sign Up—Verify either by email or phone number—Fill in the Questionnaire—You are ready to go !

You can find more information on the Street Tag website: <http://www.streettag.co.uk>

WE ARE NEWHAM.

People at the Heart of Everything We Do

Tuesday 1 June

2 - 3pm
Storytelling - 'The Cow Who fell to earth'
A fun story session for children up to 7 years of age.

Arts and Crafts - 'Weather Chart'
Create your own weather chart to keep track of the weather each day at home!

Science activity - 'Now you see me, now you don't'
Join us and see how to make coloured water become clear again in our on-line science experiment

Please click the link below to join the webinar:
<https://zoom.us/j/93513305649>
Webinar ID: 935 1330 5649

Thursday 3 June

2 - 3pm
A Scavenger hunt - 'Who can find the item first?'
Have fun running around the house to find certain items. The child with the most points will win a prize.

No-cook cooking activity - 'Choc chip granola bites'
Learn how to make a great snack for after school, or any time at all!

Arts and Crafts - '3D Rainbow Butterfly'
Join us to make your own 3D butterfly.

Please click the link below to join the webinar:
<https://zoom.us/j/93169438546>
Webinar ID: 931 6943 8546

Saturday 5 June

2 - 3pm
Family Bingo
A fun with numbers session for children and adults to play together with a chance of winning a prize.

Storytelling session - 'What the Ladybird Heard Next'
Find out what the ladybird heard next. An interactive storytelling following on from our previous Ladybird story.

Messy play activity - 'Make your own play-dough'
Make play-dough with ingredients you can find at home. Great for toddlers and older children.

Max out your card
Announcing the Max Out Your Card winner/s.
