

Curwen Primary School

Together Everyone Achieves More

Curwen's Sports Round Spring 1

This term, Curwen has once again had the opportunity to attend numerous competitions and sports festivals. Both the boys and girls have been able to compete in football and athletics competitions. The children have excelled in all competitions! Year 1&2 managed to win another Mini-Olympics trophy whilst our year 5&6 girls football team were runners up at the Leyton Orient's National League Cup, losing one nil in the final. Another remarkable effort girls! We also had our first year 3&4 football competition where our year 4 boys were also runners up, finishing 2nd in their league by only 1 point. Our 3 boys and girls also did very well in their very first football tournament. Well done to all.

Tapscott Sports Development Competitions

SPRING TERM LEAGUE TABLE

	SCHOOL	COMPETITIONS ENTERED	POINTS
1	Curwen	3	13
2	Kensington	3	10
3	Gallions	2	8
3	Ranelagh	3	8
4	North Beckton	3	7

This year, for the first time, our year 5 and year 6 girls football team was entered into the Leyton Orient National League competition. The girls did so well after winning all of their group games without conceding a single goal! They then went on to deservedly win 2-1 in the Semi-final but were narrowly beaten 1 nil in the final after a commanding display. All of the girls were brilliant and showed great team work and determination. Well done girls and keep going!

Curwen also sent some KS1 children to Ranelagh Primary School where we had another Mini-Olympics. There were lots of different events such as racing, jumping and throwing. The children represented the school brilliantly and were able to bring home the trophy! It was another brilliant event hosted by the Tapscott Sport team. Well done to all involved.

During January we also had our first ever year 3 and year 4 football event held by Tapscott. We took 3 teams in total; year 4 boys, year 3 boys and year 3 and year 4 girls mixed. The year 3 boys did well and managed to win 2 of their group games as did the girls team. The year 4 boys also did brilliantly coming in 2nd place by only 1 point in their league. A great first experience for all of the children involved. A great effort!

We also had some Year 5 and year 6 sports hall athletics competitions where we competed at the Copperbox Arena. In the first round, The Curwen boys and girls showed real quality in winning multiple events helping them to qualify for the finals which were held a few weeks later. Here, we took a year 5 team (due to Year 6's being at fair play house) and they showed great determination in competing with older children from 12 other schools from Newham. It was a great experience for them and will stand them in good stead for the same competition next year. Well done to all!

Before Christmas, we entered a competition with Greenpower and APC. A few select children had to design a poster on 'How we will travel in 2050?' It was totally up to the children how they did it and what they included. The winning prize was entry to this year's regional race where the children will have to build their own electrical go kart. We had the great news after half-term that we had won our place and full funding. The building process will start during February half-term and the race day is in June. It is a new and exciting project which we are all looking forward to.

< The go-kart that the children will be building from scratch! All materials have been provided and we are very grateful for the opportunity.
