

Together Everyone Achieves More

Dear Parents and Carers

Children across the school have been focusing on writing in literacy lessons, and it has been wonderful to walk around this week and see the fantastic standards across the school. For the older children we have applications underway for our student leader roles. Not only does this allow us to provide younger children in the school with wonderful role models, but also helps children to develop their own self confidence and leadership skills. We are really excited to get this up and running.

You will remember from our Welcome Meetings that we will begin our 'Catch-Up' clubs next week. A big thank you to all of our staff who run these high-quality clubs every week. Please ensure your child attends every week and that you collect them on time each day. Other clubs are currently being organised, and letters will go out about these before half term.

Thank you so much to all of our parents and carers for using Studybugs. Just a reminder that if you report your child off with a cough OR temperature OR loss of smell or taste then we have to insist they remain off school until they have had a negative PCR test. Please do not be offended if we ask, this is purely to keep us all as safe as possible. Thank you for your support with this.

Your child has brought home a flu vaccination letter this week. Please ask if you have any questions about this and ensure you return it to us as soon as possible. Please note that the flu spray is given by NHS professionals who come in for the day and not school staff.

This week we are very sad to say good bye to Teo who works in our main office. Teo has been with us for several years, having started as an apprentice at the tender age of 16! He is a valued member of the office staff and will be hugely missed by us all. We wish him all the best for the future.

A huge thank you to all of our families for your generosity for Jeans for Genes. We raised an impressive £510.40 for a very worthy cause. Thank you to all those who donated.

We wish you all a wonderful weekend.  
Mr Harris and Mrs Mansfield

### Speech and Language—Extra Support

This year, our school is buying in extra speech and language therapy from East London NHS Foundation Trust. The speech and language therapist will be in one day a week working in classrooms and with teachers and teaching assistants.

All children may work with her at times. School may ask her to observe your child so that she can provide school-based recommendations. If you would not like for this to happen, please let the school staff know.

If you have concerns about your child's speech, language or communication, please speak with school staff in the first instance. If there is a need to work one-to-one with your child or to carry out further assessment, you will receive a letter to request your permission.

The therapist would then make contact with you either before or after assessment.

**TT Rockstars**

This week, we are re-launching our maths tournament to help children become more fluent in their times tables using 'TT Rockstars'. As part of initiative, the 'Curwen's TT league' will bring all the classes together to learn their times tables in a fun and competitive environment. Every week, each class will compete with a different class across the school and the winners will be rewarded with a star. Eventually, every class will face each other and the class with the most stars will win the league.

So that you don't feel left out, we will inform you of the latest fixtures on our weekly newsletters. Please encourage your child/children to practise so that their class have the best possible chance of winning. Good luck!

### Childcare Services— Breakfast Club and 6 O'clock Club

We know how hard every parent works and understand that sometimes it may be complicated to drop off and pick up the children considering your working schedule. We are here to support you and would like to remind you all of the childcare services that we provide.

Breakfast Club runs between 7:45AM—8:30AM Monday to Friday at a charge of £0.80 per session. The children are provided with breakfast and various activities for a great start to the day. Please note that you can drop your child off without pre-booking or paying on the day; the bill is automatically sent at the end of the week via SchoolMoney.

6 O'clock Club runs between 3:30PM—6:00PM Monday to Friday at a charge of £10 per session. The children are provided with a snack and various fun activities as well as help with their homework. Please note this is an invite only club therefore, before attending, a contract needs to be collected and signed from the main office. Bookings need to be made the Friday prior to the week you wish your child to attend, via SchoolMoney.

Please feel free to contact the school office via StudyBugs if you require

### Kindness Cup Winners

#### Thalia 6C

For always being a great friend and always helping people in class and playground.

### Warmer Clothing

As the weather is now getting colder, can you please ensure that your child has an appropriate warm coat and clothing when they come to school.
