

Together Everyone Achieves More

Dear Parents and Carers

It has been lovely seeing everyone settled into the new routines with our catch-up clubs. We are currently getting our other clubs organised and will be in touch about those soon so please look out for a letter. As we explained, due to budget constraints we have had to prioritise our catch-up clubs this year, so there will be a charge for the other clubs to cover the cost of staffing them. We appreciate your understanding with this.

As you will know, our parents' evenings are being held during the last week before half term. Letters are coming home so please make sure you receive your time slot and let us know if there are any problems. We are hoping to see everyone - albeit virtually! We will be setting up an online book fair to raise funds for the school library and will send out information about that shortly. We have also sent home data checking sheets. These are hugely important to make sure we can contact you in case of emergency. Please make sure you change any details that are wrong and send back. If everything is correct then please just sign and return. For safeguarding reasons we MUST have at least 2 contact numbers for each child.

The last week before the holidays we will also be having 'World of Work' week for years 1-6 (Reception will do theirs later in the year). As part of this children will go on visits and have visitors in from the world of work. Please make sure you have returned our consent form, and if your child has any medication in school that this is all up-to-date.

The nights are getting darker now and we know that the roads around school are very busy. Please make sure that if your child is home alone that you talk to them about this and the importance of being extra careful when crossing the road. Have a lovely weekend!

Harvest Collection

Throughout the week there will be boxes in the playground for the collection of goods for a local food bank, based at the Arc in the Park. All donations would be very welcome, especially now more than ever, during these trying times.

We ask that all donations have a long shelf-life, are not expired, and have not yet been opened. Non-perishables are especially welcome.

You can give these donations at any of the boxes put around the playground, or the box outside the main office.

This collection will continue until the 22nd October, so please donate before then if you are interested in doing so.

Afterschool Clubs

If your child is looking for something fun to do after school, consider signing them up to a club. Though clubs have been largely inactive last year, they're starting to come back.

Besides the academic booster classes, which are invite only, to provide extra support for pupils who need it, there is also:

A gymnastics club for years 2 on Wednesdays, and years 3 and 4 on Fridays.

A guitar club for years 5 and 6 on Mondays

A choir club for years 4, 5, and 6 on Tuesdays

If you are interested in any of these, message us on StudyBugs for a signup letter to be given to your child.

Reminders for the Week

Upcoming Trips:

St. Paul's Cathedral:

- 2S & 2R on 11th (Monday)
- 2M & 2W on 12th (Tuesday)

Other reminders:

- Please make sure to give your children warm outdoor clothing, such as jackets and scarves, as the weather is getting colder and we're getting closer to winter.
- Put your child's name on their extra clothing, so that it can easily be recovered in the case of it being lost
