

Together Everyone Achieves More

Dear Parents and Carers

Can you believe a half term is over already? It seems to have flown by! We loved welcoming you all for parents' evening this week and sharing with you the fantastic work your child has been doing this term. If you couldn't make your slot, then we hope that we will be able to catch up with you soon.

You will have had letters about clubs starting after half term. If you want your child to take part in the one they have been offered, then please pay via School Money. Unfortunately due to our budget constraints we are only able to run clubs this year if you can support us with that. Please contact us if you have any questions.

We hope that your child has enjoyed their 'World of Work' activities and visits they have had over the last week or so. We have had lovely comments about how well behaved and enthusiastic the children have been, so a massive well done. The children in Reception won't miss out, but we will be holding their week later in the year. We will share some information and photos on our social media channels and website soon.

Once again we would like to thank you all so much for your generosity with our harvest collection. The food has been collected by Ambition, Achieve, Aspire and was very gratefully received. This will go to help many families in our local area. Thank you again.

Over half term there are lots of events that children can get involved in. We have shared these via Studybugs and leaflets are available on [our website](#). We know that some of our families are celebrating Diwali during the first week back, so we hope you have a lovely time. If your child has a day as a religious observance, please report their absence on Studybugs that morning. Finally we would like to wish you all a wonderful and restful holiday. Have a lovely time.

Mr Harris and Mrs Mansfield
