

Together Everyone Achieves More

Dear Parents and Carers,

Thank you all for your support with Children in Need today. It has been lovely to see children (and staff!) joining in with the day and raising lots of money for a good cause. We will let you know the total next week.

We are really delighted that we are back to some sort of normal with our school visits, and hope that your child has enjoyed the opportunity to go out and extend their learning through visiting different places. We think this is so important to support their learning, and are very thankful to all of the parents and carers who have been kindly volunteering to help with this. I would like to offer huge thanks to all of our school staff who have given up their own time to take year 5 to Cheshunt this week and last week. The children have been amazing and we hope that they have had a wonderful time.

A quick reminder for anyone who has not yet managed to see or speak to their child's teacher for parents' evening. Please do send a message on StudyBugs and make sure you manage to get this arranged with us. We really do like to share the amazing things they are doing in school with you.

Next week is Anti-Bullying Week, and our fantastic School Council and HeadStart Champions have organised a week of activities. These run alongside our PSHE lessons. Please do speak to your child about this; the theme is 'One Kind Word'. We are celebrating the fact that we are all unique by wearing odd socks to school. Children are invited to wear odd socks on Friday 19th November - or another day if they prefer! We will share some pictures of the week on the website and also on our new Twitter account - please follow @CurwenPrimary.

Have a lovely weekend,

Mr Harris and Mrs Mansfield

### Parent Survey

The school is requesting that you complete the Curwen Parent Survey so that we can see how you and your children feel about aspects of the school. The link to the survey can be found [here](#).

### Cheshunt Trip

Over the past two weeks, students in year 5 and some from year 6 got the opportunity to visit Cheshunt for a one night residential trip. They got to experience many fun outdoor activities like rock climbing, archery, and kayaking, as well as exploring the local area.
