

Together Everyone Achieves More

Dear Parents and Carers,

As we come to the end of another week, we are immensely proud of our year 6 pupils that attended Fairplay House this week. They have shown strength, determination and resilience to embrace new opportunities and challenges, and all of the staff have said how very proud they have been. The children have been absolutely wonderful, and they are a credit to the themselves and their families. We would also like to say a huge THANK YOU to the staff who gave up so much of their time to organise the trip and to take the children this week. We really appreciate their generosity and kindness, and hope that they have a good sleep this weekend!

Letters will be coming out soon for Parents' Evening the last week before February half term. We were really hoping that we would be able to hold these in person, but due to the current situation and the amount of positive covid-19 cases we are experiencing this will not be possible. If you are unable to make the time you have been given then please do speak to your child's teacher and arrange an alternative. We would really love to be able to let all parents know about their child's progress this year.

Just a reminder about our staggered starts in the morning. When we open at 8:45am, all teachers provide learning activities for children, so do try to and get them in as close to 8:45am as possible so they can join in with this.

Next week our lovely kitchen team will be cooking a special menu for Chinese New Year. On Friday we will be having a different menu to celebrate. We hope that the children enjoy it!

Have a lovely weekend

Mr Harris and Mrs Mansfield

Fairplay House Trip

Our year 6 classes have been at Fairplay House enjoying themselves doing a variety of different outdoor activities from archery to sky trails, building up their resilience and confidence outside.

You can find more pictures from the trip and other events in school on our school website in the [gallery section](#). Once again, we'd like to congratulate the children for their courage to try new things, and the staff for taking the time to make this trip a possibility.

Packed Lunch Survey

Juniper (who provide our school lunches) have requested that we share their survey with you. They are interested in reasons why parents and carers send their child in to school with a homemade packed lunch. This is to provide Juniper with a better understanding and be used to help tailor Curwen's menus to the needs of the pupils. It can be accessed [here](#).

The surveys are now open and will be closing at 9pm Thursday 10th February 2022.

Thank you in advance
