

Together Everyone Achieves More

Dear Parents and Carers,

All of the children have been doing poetry in their literacy lessons this week, ready for our annual poetry competition. We hope that they have all been excited reading, writing and performing poems. We are sure the standard will be high as always, and will put the winners on our website once we have got all of our finalists.

We want to say a huge well done to the year 6 children that attended Fairplay House last week. Not only did the staff from Curwen say how fantastic they were, but the instructors at the centre (who see hundreds of children each year) also mentioned how amazing they were. Not only were they resilient and hard working, but they were amazing at listening and their behaviour was exemplary. What fantastic ambassadors of the school!

You will have seen that we continue to have some covid-19 cases in school. Parents will be informed via studybugs if someone in their child's class tests positive, and we really appreciate all of you that are carrying out regular lateral flow tests on your family in an effort to keep us all safe.

You should have received letters about parents' evenings and our new clubs. Please read these carefully, and send us a message on Studybugs if your child has not received theirs for any reason.

A quick plea! We appreciate how expensive replacing lost clothing is. PLEASE put your child's name in their clothes as then we have a better chance of reuniting them with their lost things.

For all those celebrating Chinese New Year, we wish you gong hei fat choy! We hope that all the children enjoyed our special lunch menu today.

Have a lovely weekend  
Mr Harris and Mrs Mansfield

### **NON UNIFORM DAY FRIDAY 11TH FEBRUARY**

On May 14th 2022, Miss Miles, our SENDCO, will be climbing Mount Snowdon to raise money for Embrace, a charity that supports child victims of crime. To help raise money, we are going to have a non-uniform day on Friday 11th February 2022. Your child can wear non-uniform for a small donation of 20p, although donations of any amount will be gratefully received. Staff will be at the gates with buckets to collect your donation or you can give it to your child's class teacher in an envelope.

If you would like to read more, please take a look at [Miss Miles's Just Giving Page](#).

### Packed Lunch Survey

Juniper (who provide our school lunches) have requested that we share their survey with you. They are interested in reasons why parents and carers send their child in to school with a homemade packed lunch. This is to provide Juniper with a better understanding and be used to help tailor Curwen's menus to the needs of the pupils. It can be accessed [here](#).

The surveys are now open and will be closing at 9pm Thursday 10th February 2022.

Thank you in advance
