

Together Everyone Achieves More

Dear Parents and Carers,

We cannot believe that another term is over! A big thank you to everyone that has sent us messages about the Carnival videos and International Family Week activities. The feedback has been very positive which is lovely. We hope that you enjoy the Easter Bonnets videos as much this week – we would like to thank everyone that took time to help their child/ren to make them. The winners are all listed in this week's newsletter.

We are delighted that we raised over £500 with our Easter raffle. Thank you so much to everyone that supported us. We would also like to say a MASSIVE thank you to our extremely generous staff who donated over 150 Easter eggs for our raffle prizes.

Over the last two weeks it has been lovely to see everyone taking part in the Sustrans Big Walk and Wheel. Currently we are 16th nationally, which is fantastic! It was great to see the 'blinged up' wheels on Wednesday, and Miss Liz fixed 30 sets of brakes on Tuesday. It is wonderful to see so many of the children – and their families – being healthy and reducing pollution.

This week is rather sad as we say farewell to Ms Horsington. She has been with us for almost 10 years, supporting many children and staff in years 5 and 6. We are all really going to miss her, and wish her well with her move to Wiltshire. A big THANK YOU to her from all the staff and pupils. We hope she will come back and visit!

We would like to thank you all so much for your ongoing support over the term, and wish everyone a wonderful holiday. Ramadan Mubarak to all those observing, and a Happy Easter to everyone celebrating. We look forward to seeing you all back on Wednesday 20th April. Let's hope that the weather has warmed up by then!

Mr Harris and Mrs Mansfield

### Eco-Champions

Our Eco-Champions have been busy improving the local area. They teamed up with Newham Council to go litter picking on the Greenway as a part of The Great British Spring Clean. Parents and carers were also invited to join in bringing our team to a total of 32 people! It was a very satisfying afternoon with eight bags being filled in total. Many members of the local community stopped to thank the children for improving the area. The community event was a part of the Eco-Champions plan to become a Green Flag School and make Curwen and Newham a greener place. Everyone felt proud to be contributing to the local community.

All winners get two gold tokens for use with the book vending machine, for a book of their choice.
