

Together Everyone Achieves More

Dear Parents and Carers,

It has been a rather odd week back at school this week, but we have managed to pack a lot in! We hope that everyone celebrating Eid had a lovely time. It has been great seeing all the fantastic mehndi and hearing about what the children did to enjoy their day. Hopefully everyone enjoyed our special lunch on Wednesday - a big thank you to our kitchen staff.

A big THANK YOU to all of you for your support with our working at home day yesterday. As we said previously, we do understand how inconvenient it can be mid-week for working parents, however it is just not possible to keep the school open with members of the public in to vote. We hope that your child enjoyed completing their work at home, and also managed to get out in the sunshine that we had!

As you will know, our fabulous year 6 children will have their KS2 SATs tests next week, and we want to take this opportunity to wish them the very best for that. We all understand how nerve-wracking any tests can be – no matter how old you are – but we are all fantastically proud of our wonderful pupils and know that they will do well next week. If you are a parent in year 6 then please do reassure them that these tests are really nothing to worry about, and encourage them to have plenty of breaks if they are revising at home. Please remember that all children in year 6 are invited for free breakfast club from 7:45am next week, and school staff will be on hand to talk through any worries they may have. Please support us at home by making sure they have a good night's sleep and are on time for school next week. If you are concerned about your child then please do let us know and we will make sure we offer them some extra support and encouragement.

Have a lovely weekend
