

Together Everyone Achieves More

Dear Parents and Carers,

It has been a very busy week at Curwen this week! There have been visits out, as well as the last week for our current round of paid-for clubs. We hope that all of the children that have been attending these have enjoyed them. It can sometimes be tricky to find enough adults that are able to accompany our trips out, particularly for our older years. If any family members would be interested in becoming a trip volunteer then please let us know. We can apply for a 'volunteer DBS' for you and we would invite you along to visits if/when we are short of adults. Although this would not necessarily be with your own child, it is an excellent way of having a free day out!

This week we must say a MASSIVE well done to our fantastic year 6 children who, along with all other year 6 in the country, have been sitting their SATs test. This is a culmination of their KS2 learning which we all know has been massively impacted by the disruption to education caused by the pandemic. The last 'normal' year that these children had in school was when they were in year 3!! We are all HUGELY proud of how well they have done, and the mature way in which they approached the tests this week. We would also like to thank the year 6 team and all the other staff who have supported with year 6. A massive thank you also goes to our parents for all of your support; we really appreciate it.

This weekend we wish Ms Miles GOOD LUCK as she climbs Mount Snowdon. Lots of staff and parents have supported her in raising money for 'Embrace', so a big thank you all for that.

We realise that currently with the cost of living crisis that things are becoming increasingly difficult for us all. If you are experiencing any difficulties then please do come in and speak to a member of SMT or the Pastoral Team and we will do our best to help wherever we can.

Have a lovely weekend.

Mr Harris and Mrs Mansfield

### EMBRACE- Child Victims of Crime

This weekend we wish Miss Miles, our SENDCO, all the best with her climb of Mount Snowdon to raise money for Embrace, a charity that supports child victims of crime.
