

Together Everyone Achieves More

Dear Parents and Carers,

Hopefully everyone has received a letter this week with the various events that are coming up this term. We are so excited to be able to invite parents, carers and family members back in! If you are not sure about anything then please do ask. We are now taking donations for our summer fair. If you have any second-hand uniform (in good condition), toys, games, books, bric-a-brac then please do bring them in. We will also take donations of snacks and packaged foods. Thank you in advance!

It has been so lovely to see the sun this week! Thank you to everyone for making sure that children are coming in wearing sun cream, hats and with water bottles. Please do make sure that children don't wear open-toed sandals for Health and Safety reasons.

We have sent out information about 'Street Tag'. We are keen to get Curwen higher up the leader board, so please do download it on your phone and get active around the local area. Let's see if we can get Curwen to number 1.

Next week we are marking Windrush Day at Curwen. We will be discussing it during class assembly times, and our fantastic kitchen staff are preparing a special menu on Thursday. Our fantastic School Council have also planned some activities to mark Refugee Week so there will be lots going on.

We wish you a lovely weekend – let's hope it stays sunny!

Mr Harris and Mrs Mansfield

### Agents of Change KS1 Conference

On Monday some of our Key Stage One Eco-Champions and school council members attended a conference for young leaders. They meet other young leaders from across Newham to share ideas about how to speak up and work in a team. They spend the day enjoying a range of activities and making new friends. They ended the day as even better leaders than they already were!

Amara, Erin, Layla and Benji ready for a big day ahead!

### Place of Worship Competition

Curwen has recently entered the Newham's Place of Worship competition and have won in two categories:

EYFS Best response (Individual) won by Aivah in RDR for her Easter story retelling

EYFS Best response (Class) won by the Curwen classes who visited a Church and Mosque and made a fantastic artefact monthly calendar.

We congratulate them for their diligent work; their teachers are very proud of them.

## Partner school ZOOM

This week Year 3, 4 and 5 have zoomed our partner school in Spain, St Clara Primary. Children were able to use their sounds, vocabulary and grammar in a real context with a real purpose. They sang songs, role played stories and conversations and questioned each other. Children in both schools share similar hobbies and all of them wanted to know about music, food, games and ....football!

Well done to everyone for being able to communicate their hobbies, feelings and ideas, explore and celebrate own knowledge and open their minds to a different culture.
