

Together Everyone Achieves More

Dear Parents and Carers,

What a busy week! We have had lots of educational visits out to a wide range of places, and we hope that the children have enjoyed getting back to visits as much as the staff! We would like to thank all of the staff for all of their hard work organising these visits and ensuring they are safe to take place, as well as to all of our families for their ongoing support and understanding. I particular thank you to all the understanding parents when our trip to Legoland were delayed by over 2 hours!

A big thank you this week also has to go to our wonderfully dedicated staff. Despite the disruption to transport, and the distance that many of our staff live, everyone has been totally committed to getting to work each day. We have staff members staying with friends and leaving at 5am to make sure they are able to get to work. We really appreciate this complete dedication. A big thank you as well to our families who have long journeys to get to school. Let's hope everything is a bit easier next week!

As you will know, our School Council are currently collecting for The Renewal Project in Newham. If you would like to donate pasta, rice, tinned tomatoes, tinned tuna, lentils, noodles, chickpeas, baked beans, cereal or nappies then please leave in the playground. Due to the terrible flooding in Bangladesh currently, we are also going to have buckets on the gates next week if anyone would like to donate. All money will go to Islamic Relief, who are helping to support over there. We are very sorry to say that we are aware of Curwen family members who have been impacted by this terrible situation. We do know that it is getting increasingly difficult for many of us to find extra money, so please do not feel obliged to donate unless you are able.

As of Monday, we will be selling raffle tickets and collecting donations for our summer fair. Please do remember that we sent home a letter with dates parents/carers are invited in for, so do try to come in!

Have a lovely weekend

Year 4 Stubbers Trip – 21/06/22

Year 4 went on a fantastic trip to Stubbers Adventure Centre. With over 35 fun-filled activities to take part in, we definitely made the most of the experience! We took part in structured action-packed sessions across land, air and water, helping our children develop core skills, build confidence and, most importantly, have fun! We needed to use many of our Curwen Core Skills throughout the day, including: teamwork, communication, resilience and leadership. The children and staff all had a great day together as a year group! You can find more pictures on [our website](#).

TT Rockstars

Last week, we began our knockout rounds, and a class from each year group has now been eliminated. In the following week, another class will be eliminated from each year.

Here are the classes that are still in the competition:

5L v 5T v 5B	3H v 3G v 3B
6B v 6C v 6H	4K v 4A v 4C
2W v 2R v 2M	1L v 1K v 1SN

Check the newsletter next week to see how the competition develops!

Food Donations - The Renewal Programme

This week we have been collecting food donation for the renewal programme. We have close to 100 items and with a big push we think we can reach our goal of 150. If you would like to donate you can leave items on the benches in the KS2 playground or outside the office.

Thank you for all your support so far!
