CURWEN PRIMARY SCHOOL

Religious Education

Find out what your child is learning.

Subject Leader: Miss Green

RE Curriculum

RE in Newham

Religious Education (RE) is part of the curriculum that all schools must provide for pupils 4 - 18. In contrast to other subjects in the curriculum where there are national programmes of study, the programme for RE is agreed by each Local Authority (LA). The document in which each LA sets out the RE programme for its schools is called a 'local agreed syllabus for religious education'. For more details please read the 'Newham Agreed Syllabus for Religious Education 2022.'

Why is R.E. important?

It is important that your child develops an understanding of the world around them and the different beliefs within it. At Curwen, children form part of a multi-cultural and diverse society. It is important that they have a good understanding of their peers religious beliefs and views, alongside their own as well.

How will the children be learning?

At Curwen, we want children to gain a deeper understanding of RE not just through textbooks, but using the broad range of resources available. This includes:

- Visits to places of worship
- Exploring religious artefacts
- Research on the internet
- External visitors of different faiths
- Children and staff sharing their knowledge
- Class assemblies
- Role play
- Collective worship

How can you help your child?

- Help them to research topics using the internet.
- Go to the local library to use books for research.
- Talk about your own experiences and encourage them to share their thoughts and beliefs in school.
- Ask questions about what they are learning
- Ask them to explain how the topics they are learning relate to their own life.

What will your child be learning...

Reception

RE focuses on religious stories and the celebrations of the main religions.
Visit to a local church.

Year 1

What does it mean to belong?

Programme of study:

- What does it mean to belong to Hinduism?
- How do Christians celebrate Christmas?
