"The reason why Curwen is successful is because there is a culture that promotes a sense that everybody can take part, 'we can all contribute'.....From everything that I have seen I recommend that Curwen continues to receive the Inclusion Quality Mark. It is a school which examines the needs of all its children and ensures that those needs are met."

All of us at Curwen are hugely proud of our extremely successful Inclusion Quality Mark visit. This highlighted the fantastic inclusive practice, and we maintained our 'Flagship Status'.
