

# CURWEN WEEKLY

Together Everyone Achieves More

Dear Parents and Carers,

We would like to thank you all for your generosity for Jeans for Genes. In total we raised an amazing £451.13 which is a fantastic sum. As you will have seen, we are undertaking a Harvest Collection for AAA at Canning Town who run a foodbank. Any donations to this will also be gratefully received.

This week it has come to our attention that some children are wearing smart watches to school. Please note, these **should not** be worn in school. This is due to them being expensive if they are lost or broken and due to safeguarding concerns as many have integrated cameras and internet connectivity. If children are found to be wearing these in school then we will ask them to remove them. **Staff cannot be held responsible if these are subsequently lost in school, so we kindly request that children do not wear them.**

A huge thank you to all of our parents and carers who have attended our Welcome Meetings over the past few weeks. We still have Nursery to go, but we hope that you have found these a useful way to meet some staff and get lots of information. Please remember that Powerpoints and all curriculum information and policies are available on our school website. We do currently have spaces in some of our year groups, so if you have friends or family who are looking for a school place please ask them to apply to Curwen!

We wish you a lovely weekend.

Mr Harris and Mrs Mansfield

- Please make sure to give your children warm outdoor clothing, such as jackets and scarves, as the weather is getting colder and we're getting closer to winter.
- Put your child's name on their extra clothing, so that it can easily be recovered in the case of it being lost.

### Harvest Collection

Throughout the week there will be boxes in the playground for the collection of goods for a local food bank, Ambition, Achieve, Aspire, based at Canning town. All donations would be very welcome, especially now more than ever, during these trying times.

We ask that all donations have a long shelf-life, are not expired, and have not yet been opened. Non-perishables are especially welcome.

You can give these donations at any of the boxes put around the playground, or the box outside the main office.

This collection will continue until the 19th October, so please donate before then if you are interested in doing so.

### Kindness Cup Winners

Usman—2S

For letting children join in with his game and always having good manners.
