

Together Everyone Achieves More

Dear Parents and Carers

This week I would like to say a big thank you to all the Reception and Year 1 parents who have taken the time out to come in for our weekly open mornings. We hope that you are finding these both useful and reassuring, and I am sure that your children are enjoying you having in.

Next week, please make sure that you look out for our Parents' Evening letters which will be coming out. As previously, we will assign times for you to Zoom the class teacher. If the time you are allocated is inconvenient for you then please speak to your child's class teacher who will be able to help. We have taken the decision to have a 'blended' approach to our Parents' Evenings this year, with this first set on Zoom and the February dates in person. The reasoning behind this was that by February the children will have more work in their books to share with you. We know that for some parents virtual meetings are preferable, but some prefer in person. We would love to get 100% of parents seen, so please do ensure you arrange a suitable time.

For anyone that is interested, we will be holding a book fair in the playground before and after school from Thursday 13th October – Wednesday 19th October. Please come along and buy a book or two!

Thank you again for your ongoing support with clubs. Just a few reminders that apply to tuition, and will also apply to the paid for clubs:

1. Collections are via **London Road** and **Stock Street Gate** unless otherwise stated. If you are unsure, please call the office.
2. Due to the limited numbers of staff that work between 3:30-4:30pm, it is **not possible** to collect children from clubs before 4:30pm. If for any reason they need to be collected early then they **must** be collected at 3:15pm from class.

We are holding 'World of Work Week' from 17th - 21st October for years 1-6, with some educational visits taking place next week. This is an opportunity for the children to learn all about some of the jobs out there and to go out and visit a variety of places of work. We hope that the children enjoy the opportunities it offers – please do ask them about what they have learned. A big thank you to all of our wonderful parents and carers who have volunteered to come along and help out with these visits.

We hope that you have a lovely weekend.

Mr Harris and Mrs Mansfield

Roald Dahl—737

Charles Dickens—404

Years 3 and 4 represented Curwen at our first competition of the year, Benchball. The children were amazing, working really hard as a team and scored many goals. We were very proud of them.

Years 4 and 5 headed off to the Olympic park to take part in an orienteering competition. 10 teams took part and they came second in a time of 59 minutes. This was an amazing achievement.
