

Dear Parents and Carers

We can't believe that we have come to the end of the half term already! We hope that the children have enjoyed learning lots, connecting with their friends and taking part in lots of educational visits.

We have excellent news to share with you this week that Curwen has been successfully awarded the Eco Schools Green Flag award. This is in recognition of the hard work by our Eco Champions over the 18 months. School Council and our Junior Travel Ambassadors have also been involved in helping us achieve this award. We had some lovely comments from the moderators:

It's wonderful that you have appointed such an enthusiastic Eco-Committee, this shows your schools excellent commitment to both the programme and the eco-cause. It was really great to read how your Environmental Review provided the basis for the projects in your Action Plan. It demonstrates a reflective and considered approach to your Eco-Schools work, this is a great skill that many adults can learn from!

We are very proud of this fantastic achievement!

Well done also to our Tag Rugby team who won the competition last week. Curwen are currently sitting at the top of the TTLT leader board, so well done to everyone that has represented us at a competition this term!

Thank you to everyone that supported book fair. We raised enough money for £425 of books for the school which is fantastic!

If you have paid for your child to attend our holiday club next week, please ensure that they arrive on time and are collected **promptly at 3:00pm**. Any late pick-ups will result in a charge, as we will need to pay staff overtime, so please be on time.

We have recently had some online safety concerns raised relating to children using social media and video calling at home. We understand that children want to keep in touch with their friends, however we request that parents/carers actively supervise what the children are up to whilst using phones, tablets, laptops or games. Anything that can connect to the internet can pose a risk of unsuitable content or the behaviour of others online. Please keep talking to your child/ren about what they are accessing and who they are connecting with and ensure you report any concerns <https://www.thinkuknow.co.uk/parents/>

This week we are sad to say goodbye to Ms Samji and Mrs Nicholls. Between them they have been at the school for around 40 years! We thank them both for everything and wish them the very best for the future.

We hope that you have a lovely half term and the children have a well-deserved break.

Mr Harris and Mrs Mansfield

Oak Class - Sulayman—For being Engaged and beginning to communicate.

Team Points:

Benjamin Zephaniah— 1196

Julia Donaldson—360

Roald Dahl—1001

Charles Dickens—728

Children in years 5 & 6 represented Curwen in a Tag Rugby competition at the East London Rugby club. They successfully won all 3 matches to enter the final. The final was a great game to watch, beating Gainsborough to become the overall champions. Well done Curwen.
