

Together Everyone Achieves More

Dear Parents and Carers

Can you believe that we have come to the end of another term?! The time seems to have flown by, but it is lovely to have lighter mornings and evenings.

We just wanted to make you aware that the dispute between the NEU and government is still not resolved. Currently there are potential strike days planned on Thursday 27th April and Tuesday 2nd May. These may not go ahead, but please have plans in place just in case, as they may cause some disruption to school.

A big thank you to all of you for your ongoing support. It has been truly fantastic to see so many of you in school for different events over the past term, and we hope that you have enjoyed coming in as much as we have, and - more importantly - your children. Working as a team really does make such a difference, and we do appreciate all of your support, help and comments.

Over the holidays, we hope that you are all able to have a well-earned break. If children are bored, they can access TT Rockstars, BugClub and complete homework projects. See our website for support with this <https://www.curwen.newham.sch.uk/page/?title=Help+to+get+online&pid=374> Please do also see Plaistow Library's and AAA <https://www.theaaazone.com/whats-on.html> as they both have events running during the holidays.

We wish all those families that are celebrating a very Happy Easter. To all those observing Ramadan, we wish you ongoing good health.

Have a wonderful holiday and see you all back on Tuesday 18th April.

Mr Harris and Mrs Mansfield

24 year 5 children were given the amazing opportunity to attend a 5 day residential course at Outward Bound Ullswater, in the Lake District. During their time there, the children experienced fun and inspiring activities, that they don't get from home or inside the classroom, and learned how to overcome challenges and develop confidence and self-belief in an outdoor environment. The week focused on 'to believe in themselves' and that is exactly what they did. From achieving personal goals such as rock climbing, tunnelling, hill walking and braving the cold water of jumping into Ullswater itself, to team work and supporting others in gorge walking, shelter building, night line and problem-solving games, the children excelled themselves. For many of those attending this was truly a once in a lifetime experience, one that has given them skills to take forward into everyday life.
