

Together Everyone Achieves More

Dear Parents and Carers

Welcome back! We hope that you all had a wonderful and relaxing break, and that everyone that celebrated Easter had a wonderful time. It has been really lovely to see the children in school learning and having fun this week.

Just before the Easter holidays, the school was awarded the EAL Silver Quality Mark. This is the first time that we have been assessed for this quality mark, and we are delighted to have been awarded silver in recognition of the hard work of the staff and pupils. Particular thanks to Ms Texeira who worked so hard to complete the application. One of the things we are keen on doing now is thinking of new ways to celebrate the fantastic range of languages that our children and families speak. If you have any suggestions please do let us know via Studybugs.

Some of our year 5 children have been at Fairplay House with Ranelagh Primary School this week. We hope that they have had a wonderful week and that they have lots of amazing memories to take home to their families. A massive THANK YOU goes to Ms Slater and Mr Cullen who have both given up their week to accompany the children on the visit. Although I am sure that they have also had a wonderful time, it is a lot of work taking the children away! We honestly could not take the children away without our generous staff giving up their time.

Next week we have **class photographs** on Monday. Please ensure children are in full uniform. Year 4 should come in their uniform and wear/bring trainers. For any child that has their birthday on Monday, if they can please wear non-uniform on a different day. We also have our governors in on Tuesday. Being a governor is a volunteer role, and we very much appreciate all of the time and effort our governors put in to Curwen.

Have a lovely weekend!

Mr Harris and Mrs Mansfield
