

Together Everyone Achieves More

Dear Parents and Carers

This week, we want to highlight the importance of online safety and monitoring your child's internet usage. We all understand how difficult it can be to keep up with all of the apps, games and websites that children like to access. However, we need parents to ensure they are talking to their child/ren about what they are watching and checking that it is suitable and safe. Unfortunately, it is all too easy for children to accidentally access very unsuitable materials, and there are some very unpleasant people out there who may try to contact children through games and apps. We strongly recommend that children do not have mobile phones, tablets or devices in their bedrooms, and that when they are accessing these they do so with an adult in the room to monitor what is being accessed. We will always act on any concerns raised within school, but preventing children accessing inappropriate materials is far better.

This week has seen our year 4 children spend a day at Stubbers taking part in adventurous activities. We hope they had a wonderful day, and a big thank you goes to all of the staff that volunteered to take them.

As you will know, we are approaching the King's Coronation on 6th May. The children will be talking about this in school and on Friday 5th May we invite all children to come in party clothes to celebrate. If your child is in year 2 they will be doing PE, so please send them with a pair of trainers. We will be having a special lunch menu to mark the day.

Hopefully your child has been coming home excited about the ducklings we have had in school for the past 2 weeks. We have enjoyed watching them hatch and grow, and we hope this experience helps make the children's learning about lifecycles make more sense to them. Thanks to Mrs de los Rios for organising and Ms Fuller for being our Mother Duck!

We hope you have a nice long weekend. Please remember that some children will be out on Tuesday for a strike day.

Mr Harris and Mrs Mansfield

## BEST WEEKLY ATTENDANCE 3PB & 4C - 100% attendance!

365 DAYS

**EVERY DAY  
MATTERS**  
We expect  
children to be  
in school 96%  
of the time

**190 days  
IN  
SCHOOL**

**175 days  
NOT IN  
SCHOOL**

**175 days per  
year to  
organise  
appointments,  
see relatives  
and go on  
holidays.**

## Year 4 Stubbers trip

Year 4 went on a fantastic trip to Stubbers Adventure Centre. With over 35 fun-filled activities to take part in, we definitely made the most of the experience! We took part in structured action-packed sessions across land, air and water, helping our children develop a range of skills, build confidence and, most importantly, have fun!

We needed to use many of our Curwen core skills throughout the day, including teamwork, communication, resilience and leadership. The children and staff all had a great day together as a year group!

## Assembly Next Week

Theme of the Week	Word of the Week
Coronation of King Charles III	Monarchy
