

Together Everyone Achieves More

Dear Parents and Carers

Can you believe we are at the end of another term? It has been quite a short term, particularly with all the extra bank holidays, but I hope you will agree that we have managed to squeeze a lot in! It has been fantastic seeing all of the educational visits and learning going on. As always, the achievements of the children are amazing and it is so fantastic to see the progress they have made throughout the year. Last Friday we held our school TTLT Awards, and lots of children and adults were nominated for a wide range of awards. It was lovely to see everyone SHINE.

Next half term we have plenty more to look forward to, so do keep an eye on communications we are sending out! We will have our Family Sports Week the week of 3rd July, with EYFS Sports Day on Tuesday 4th July and Year 1 – Year 6 on Wednesday 5th July. Please save the dates as we would love to see you there. We will also have our summer fair on Friday 14th July, so please do keep that date free.

We know that some of you have commented on the amount of messages we send out on Studybugs, and we do apologise if this is a lot sometimes! We try hard to be mindful of what we are sending, but in a busy school inevitably there is lots going on. Additionally we like to let you know about local opportunities for activities and good offers. A kind parent let me know about a Thames Water scheme for getting reduced water bills, so do check the website if you think you may be eligible: <https://www.thameswater.co.uk/help/account-and-billing/financial-support/waterhelp>

To all of the families that took part in the Gratitude Jars a big thank you. Thank you also to our wonderful governors who organised this initiative. We hope that you have a wonderful half term holiday, and a fantastic break. See you in a week!

Mr Harris and Mrs Mansfield

English Classes for Parents

This week we have completed our second English course for Parents. The sessions ran from January to May after school and parents had the opportunity to bring their children along, who joined a games club while parents were in class.

These classes were developed to improve parents' confidence and communication. English was taught at a practical level, focusing on speaking, vocabulary and grammar activities and also on games to enable parents to be more confident in their day to day communication.

Big Walk and Wheel

It is official. Curwen Primary School was ranked at 5th place out of 1026 large schools in the United Kingdom for the Sustrans Big Walk and Wheel that took place from 20-31 March 2023. Altogether 2772 primary and secondary schools took part in making active journeys to school, improving air quality in their neighbourhood and discovering how these changes benefit their world. Even though the Sustrans Big Walk and Wheel has come and gone, our pupils still continue to make good choices in travelling to school using sustainable modes of travel.
