

Together Everyone Achieves More

Dear Parents and Carers

Welcome back to the new academic year! We hope that you had a wonderful and relaxing summer and that your child has enjoyed the start back to the new school year. It has been lovely seeing all of the children settled in and working hard, and particularly to see our new Reception children getting used to the environment and staff.

Please remember that we have all of our Welcome Meetings coming up. This is a chance for us to go through some key information as well as for all parents/carers to find out about the RSE for their child's year group. We hope to see you there so that we can all work together as a team to support your child this year.

We have been reminding the children this week about correct uniform, including school jumpers (and not branded hoodies) and not wearing jewellery for school. Please remember our uniform policy is available on the website - <https://www.curwen.newham.sch.uk/page/?title=Uniform&pid=19>

Please speak to us if you need any support with uniform and we will do our best.

Parents and carers are invited to attend Plaistow's next local police panel meeting. This will take place at Plaistow Library on Thursday 14th of September at 6.30pm. This is an opportunity for local participation and for residents to highlight any concerns they have regarding crime within the local community.

We hope you have a lovely weekend and see you on Monday. Enjoy the sunshine while it lasts!

Mr Harris and Mrs Mansfield

Jeans for Genes Day

On Friday 15th September all children and staff are encouraged to wear a pair of jeans or anything made from denim for a donation of 50p at the gates or via School Money. Jeans for Genes Day is an annual fundraising campaign for Genetic Disorders UK, the national charity that supports individuals and families affected by a genetic disorder. Monies raised on Jeans for Genes Day fund the work of the charity and provide grants to organisations for projects that aim to transform the lives of children with genetic disorders. It would be great to see everyone from the Curwen TEAM coming together once again to support this cause.

Issue 1

8th September 2023 to 14th September 2023

Dinner Week Menu: 2

We would like to thank all parents that have downloaded the app and are reading our communications. We would like to remind all parents that it's absolutely VITAL to have the app installed and keep an eye out on the information coming through. We as a school are trying our best to keep you informed at all times and provide you with the best guidelines and opportunities to ensure the children are safe and getting the most out of their learning. If you have not already done so, please install the app on your phone. If you require any help, please contact the school office.

We know how hard every parent works and understand that sometimes it may be complicated to drop off and pick up the children considering your working schedule. We are here to support you and would like to remind you all of the childcare services that we provide.

Breakfast Club runs between 7:45AM—8:30AM Monday to Friday at a charge of £1.00 per session. The children are provided with breakfast and various activities for a great start to the day. Please note that you can drop your child off without pre-booking or paying on the day; the bill is automatically sent at the end of the week via SchoolMoney.

6 O'clock Club runs between 3:30PM—6:00PM Monday to Friday at a charge of £12 per session. The children are provided with a snack and various fun activities, as well as help with their homework. Please note, this is an invite only club, therefore, before attending, a contract needs to be collected and signed from the main office. Bookings need to be made the Friday prior to the week you wish your child to attend, via SchoolMoney.

Please feel free to contact the school office via StudyBugs if you require further information.

Contact Details

If you have changed any of your contact details you must inform the office as soon as possible so your child's details can be updated. Please note that it is vital for us to have your child's/your details in case of any emergencies.

- As high temperatures continue, please remember to apply sunscreen before school and provide a hat and a water bottle.
- Put your child's name on their extra clothing, so that it can easily be recovered in the case of it being lost.
