Some parents wondered about music, drama, art and languages being taught.

All of these subjects are really important to us! Children have music with their teacher and then as they move into KS2 they also have instrumental lessons with a music specialist. From year 3-6 children learn Spanish.

Some parents wondered about the opportunity to speak to members of staff or to participate in their child's learning when they are working.

We do our best to offer a mixture of in-person and virtual opportunities to join in with school events to try and make this as easy as possible for parents to attend events. We arrange all meetings both during and after the school day. If you want to speak to a member of school staff regarding anything at all then please contact us on Studybugs and we will be happy to schedule a meeting.
