Dear Parents and Carers

We know that lots of parents requested dates for school events as far in advance as possible. We did share some dates with you all at our Welcome Meetings to help you get those in your diaries. Please see below lots of dates for this academic year. We will send you reminders and more information nearer to the time, but this is just to allow you to plan ahead. There will be more events to add and we will let you know with as much notice as possible.
