

Together Everyone Achieves More

Dear parents and carers

How can we possibly be at the end of the first half term?! We would like to thank you all for your ongoing support this term with welcome meetings, parents' evenings, reading and completing homework, supporting on educational visits and coming in to speak to us regularly, to name a few. We hope that the children have enjoyed all the varied opportunities they have had.

Over the half term, please remember that we still have our Black History Month project running and would be delighted if as many children as possible get involved. We think it is so important to celebrate and recognise all of the benefits of the diversity in our school and in Newham. We certainly showed the red card to racism today, and it was lovely to hear from the children how important it is for us to fight discrimination.

This week, all of the children in years 1-6 have been taking part in World of Work Week and they have been amazing! They have been having fantastic discussions and have come up with some innovative projects. Please speak to them about what they have learned and where they have been, as the visits have been amazing. We hope that this week has helped them to see how many of the things they are learning in school will help them in the world of work when they are older, and has built aspirations for jobs.

Curwen have submitted a grant to Newham for funding to allow us to run Family Bike activities this year. Although we have been able to run a few Fridays, unfortunately this is very costly. If parents and carers can please vote for us and encourage friends and family to do the same that would be greatly appreciated. The voting opens on Saturday 21<sup>st</sup> October - : [www.newham.gov.uk/thebigvote](http://www.newham.gov.uk/thebigvote)

We hope that you all have a wonderful half term, and look forward to seeing you on Monday 30<sup>th</sup> October. Don't forget the clocks go back!

Mr Harris and Mrs Mansfield

## BEST WEEKLY ATTENDANCE

**2SO – 99% attendance!**

**365 DAYS**

**EVERY DAY MATTERS**  
We expect children to be in school 96% of the time

**190 days IN SCHOOL**
