

Together Everyone Achieves More

Dear Parents and Carers

Please remember that our first 8 weeks of paid-for clubs have come to an end this week. Children that attended these clubs should be collected at 3:15pm next week. Tuition will continue. We have sent out new club forms this week, so do make sure you complete these and return by **Monday** if you want your child to be allocated a club after half term. **Please make sure you remember your child's name on the form!** We always have several with no name and it is not possible to work out whose they are.

A big THANK YOU to all parents/carers that have put their child's name in their clothes. Several jumpers were found in the hall this week and all were able to be returned to their rightful owner. We will take any donations of second-hand uniform which we will be selling at parents' evening. Please do make sure you have booked a time with your child's teacher. We will also have book fair, school dinner tasters and our annual parent survey running.

Our school cook has asked that we encourage children to try our school dinners. We will be encouraging children who are packed lunch every day to pick one of two lunches over our 3 week menu cycle just to **try**. This is because meals are free for all children, and we are keen both to help children be adventurous in their food choices and also to save parents and carers some money. Children will be able to eat their packed lunch and try something on the dinner menu. Please rest assured that we will encourage them only and they will not be forced to eat something they don't like. Thank you for your support.

Have a lovely weekend!

Mr Harris and Mrs Mansfield
